Honorable Steve Buyer
House of Representatives
Washington, D.C. 20515

Dear Congressman Buyer:

I am writing in further response to your May 31st communication on behalf of several constituents who expressed concern over allegations of an illegal surveillance of American citizens by the "Anti-Defamation League of B'nai B'rith using information provided by its contacts in law enforcement agencies.

Based on the considerable press coverage this issue has received, the concerns expressed by your constituents are certainly understandable. While the FBI, as a matter of policy, will not disclose information which could compromise a pending investigation, you may assure your constituents that all aspects of this case are being explored. The San Francisco Police Department has been most cooperative in this investigation. With its assistance, the FBI will actively seek prosecution of any individuals or any enterprise discovered to be involved in illegal activity in violation of Federal statutes.

Thank you for providing the FBI an opportunity to address your constituents' concerns.

Sincerely yours,

Charles E. Mandigo

Dear Mr. [Redacted]

This is in reply to your recent letter to Senator Arlen Specter, which he forwarded to the FBI. Senator Specter asked that we respond to your concerns over allegations of an illegal surveillance of American citizens by the Anti-Defamation League of B'nai B'rith using information provided by its contacts in law enforcement agencies.

Based on the considerable press coverage this issue has received, the concerns you expressed are certainly understandable. While the FBI, as a matter of policy, will not disclose information which could compromise a pending investigation, you may be assured that all aspects of this case are being explored. The San Francisco Police Department has been most cooperative in this investigation. With its assistance, the FBI will actively seek prosecution of any individuals or any enterprise discovered to be involved in illegal activity in violation of Federal statutes.

I am glad to have had an opportunity to address this issue and, hopefully, to allay your concerns.

Dear Mr. [Redacted]

This is in reply to your April 14th letter to Senator Arlen Specter, which he forwarded to the FBI. Senator Specter asked that we respond to your concerns over allegations of an illegal surveillance of American citizens by the Anti-Defamation League of B'nai B'rith using information provided by its contacts in law enforcement agencies.

Based on the considerable press coverage this issue has received, the concerns you expressed are certainly understandable. While the FBI, as a matter of policy, will not disclose information which could compromise a pending investigation, you may be assured that all aspects of this case are being explored. The San Francisco Police Department has been most cooperative in this investigation. With its assistance, the FBI will actively seek prosecution of any individuals or any enterprise discovered to be involved in illegal activity in violation of Federal statutes.

I am glad to have had an opportunity to address this issue and, hopefully, to allay your concerns.

Sincerely yours,

Charles E. Mandigo
