NARA Case Number: **NW 35942**

Dear Mr. Grant Smith:

This is in further response to your Freedom of Information Act (FOIA) request for access to records in the custody of the National Archives and Records Administration (NARA). On June 6, 2011, our office received your request for FBI File regarding Foundry Associates Incorporated-Neutrality Act; file number 2-HQ-875. This response is specific to the records that were referred to other government agencies for review.

We have received review decisions on 54 documents from other government agencies. We determined 15 of those documents may be released in full and 30 documents were released with portions redacted. Redactions were made on the basis of FOIA Exemptions (b)(1); (b)(3); (b)(6); and (b)(7)(D). Exemption (b)(3) pertains to information exempt from disclosure by statute. The relevant statute is the Central Intelligence Agency Act of 1949, 50 U.S.C. 403g, as amended, e.g., Section 6, which exempts from the disclosure requirement information pertaining to the organization, functions, including those related to the protection of intelligence sources and methods.

There were nine documents denied in full on the basis of FOIA Exemptions (b)(1) and (b)(3). The relevant statute is the Central Intelligence Agency Act of 1949, 50 U.S.C. 403g, as amended, e.g., Section 6, which exempts from the disclosure requirement information pertaining to the organization, functions, including those related to the protection of intelligence sources and methods.

If you are not satisfied with our response to your request, you may administratively appeal by writing to the Deputy Archivist of the United States (ND), National Archives and Records Administration, 8601 Adelphi Road, College Park, Maryland 20740-6001. The Deputy Archivist must receive your appeal within 35 days of the date of this letter. Clearly mark the appeal letter and envelope "FOIA Appeal" and cite your case number in your appeal letter. Please note that denials under the FOIA of access to national security information accessioned by NARA are made by designated officials of the originating or responsible agencies or by NARA under a written delegation of authority. We will coordinate FOIA appeals of denials to national security information with the equity holding agencies.
