LOUIS E. LEVINthal  
JUDGE

June 16, 1944.

Hon. Edward J. Ennis,  
Acting Head, War Division,  
Room 5213, Department of Justice Bldg.,  
Washington, D.C.

Dear Mr. Ennis:

In reply to your letter of June 7th, I write to inform you that I am having the data assembled for submission to you. I feel confident that we shall be able to establish to your complete satisfaction that the relationship between the Zionist Organization of America and the World Zionist Organization or the Jewish Agency for Palestine is not of such a nature as to call for registration as an agent of a foreign principal.

We are having a thorough examination made of our correspondence files and of the contents of our publications and of the publications of the World Zionist Organization. As soon as our study will have been completed I shall communicate with you further.

Thanking you for your courtesy, I am

Sincerely yours,

*L. E. Levinthal*
