Dear Mr. Inger:

I have your letter of June 2, 1948, enclosing a copy of a letter directed to the Foreign Agents Registration Commission relative to the obligations of the American Registration of America to register under the terms of the Foreign Agents Registration Act.

It would be a source of deep regret to me if you should have to alter such a valuable and reported document as your contribution because of any problem of the Foreign Agents Registration Act. I feel sure that any problem caused by the act can be adjusted through further conferences between representatives of the American Registration of America and the Foreign Agents Registration Commission.

Accordingly, I have directed the Foreign Agents Registration Section to communicate with Mr. Inger of your Washington office to arrange for an early conference as you suggest in your letter.

Sincerely,

INSPECTOR AND MAILER
