Dear Christian Friend,

Every morning, Haya—who is in her 80s—makes her way out of her little apartment in Israel and heads down a cracked asphalt path.

She walks slowly and carefully down a route she has painstakingly memorized. Sometimes she falls—but she gets up, dusts herself off, and continues on her way.

You see, Haya is elderly, blind, destitute, and struggling to survive on her own. She receives a meager monthly pension, but there's never enough money to buy adequate food.

My name is Yechiel Eckstein. I'm an orthodox rabbi who's been working with hundreds of thousands of Christians across America to help rescue Jews and fulfill biblical prophecy. Since the walls of communism fell in 1990, the *International Fellowship of Christians and Jews* has helped over 725,000 Jews escape oppression and persecution and flown them to freedom in Israel.

I'm sure it will come as a shock to know that thousands of elderly people in Israel like Haya are hungry and desperate today. Coming to the Promised Land fulfilled a lifetime dream for these survivors...but life in Israel continues to be a daily struggle for so many. Attacks from Gaza and suicide bombers have killed and crippled thousands. Resources have been drained. The government can no longer care for the old and feeble—and they are, once again, at risk.

However, when an elderly widow like Haya walks through the doors of a soup kitchen—supported by the *International Fellowship of Christians and Jews*—everything changes! She's welcomed with open arms and led to tables filled with other elderly Jews—most of them survivors of the Holocaust and unspeakable persecution. Here, she is served a hot, nutritious meal by a loving, caring staff.

“Thank God there are such good people in the world who know how to help,” she says with tears in her unseeing eyes. As is true of many other elderly Israelis, the meal we provide at the soup kitchen is the only meal she'll eat all day.

I thank God for Christians like you who care about Israel and who have responded to the Lord's call: “Comfort, comfort my people...” (Isaiah 40:1). However, the situation for elderly Jews in Israel is so desperate today, I'm praying for your very special help.

While most of the world has turned its back on Israel and the Jews, I know that true Christians in

I'll tell the elderly Jews we serve at our soup kitchens in Israel that American Christians like you made these meals possible.

America have not forgotten them. I believe God will bless you for your support of the Israeli people, for as He promised Abraham, "I will bless those who bless you..." (Genesis 12:3).

That's why I'm asking you to help us save the lives of elderly Jewish men and women by providing hot, nutritious meals. All it takes is \$2.40 per day!

That means your gift of just \$17 will provide a week's worth of hot, nutritious meals for one elderly Jew in Israel. \$34 will feed two elderly Jews for a week—and \$51 will feed three elderly people in Israel for one full week!

When you send your gift today, you are responding to God's call to "Rescue the weak and needy" (Psalm 82:4). Thank you!

These precious, elderly people will be fed at one of dozens of soup kitchens in Israel, where more than 5,000 meals are served every day! These kitchens provide a place where the elderly enjoy food for both body and soul.

People I meet in Israel often tell me how much they appreciate help sent by American Christians like you. They are counting on your continued strong support of Israel.

We need you! Please prayerfully consider sending your most generous gift.

With your gift, you will be showing respect and love for the elderly, as is commanded in Leviticus 19:32: "Rise in the presence of the aged, show respect for the elderly and revere your God." Your gift today will bring life and hope to countless elderly Jews.

With prayers for *shalom*, peace,

Rabbi Yechiel Eckstein
Founder and President

P.S. Please send a gift of \$17, \$34, or even \$51 today, along with the matching meal voucher enclosed. I'm also enclosing a placemat I'd like you to sign and return along with your gift. We'll give it—along with a hot, nutritious meal—to an elderly Jew who will be cheered and blessed by your Christian compassion.

Thousands of Israelis, many thousands, tens of thousands of Israeli citizens are thankful to you and to *The Fellowship* and

to the kind of a joint soul that we share with all those who care for the people of Israel and for the State of Israel and for its future.
