

COMMONWEALTH'S DEVELOPMENT OPPORTUNITY FUND

PERFORMANCE AGREEMENT

This **PERFORMANCE AGREEMENT** (this "Agreement") is made and entered as of September 21st, 2020, by and among the **COUNTY OF TAZEWELL, VIRGINIA** (the "Locality"), a political subdivision of the Commonwealth of Virginia (the "Commonwealth"), **PURE SALMON VIRGINIA LLC**, a Virginia limited liability company (the "Company"), the **INDUSTRIAL DEVELOPMENT AUTHORITY OF THE COUNTY OF TAZEWELL, VIRGINIA** (the "Authority"), a political subdivision of the Commonwealth, and the **VIRGINIA ECONOMIC DEVELOPMENT PARTNERSHIP AUTHORITY ("VEDP")**, a political subdivision of the Commonwealth.

WITNESSETH:

WHEREAS, the Locality has been awarded a grant of and expects to receive \$900,000 (the "COF Grant") from the Commonwealth's Development Opportunity Fund (the "Fund") through VEDP for the purpose of inducing the Company to construct, develop, equip, improve and operate a fish production and processing facility in the Locality (the "Facility"), thereby making a significant Capital Investment, and creating and Maintaining a significant number of New Jobs, as such capitalized terms are hereinafter defined;

WHEREAS, the Locality is willing to provide the funds to the Authority with the expectation that the Authority will provide the funds to or for the use of the Company, provided that the Company promises to meet certain criteria relating to Capital Investment and New Jobs;

WHEREAS, the Locality, the Authority, the Company, and VEDP desire to set forth their understanding and agreement as to the payout of the COF Grant, the use of the COF Grant proceeds, and the obligations of the Company regarding Capital Investment and New Jobs;

WHEREAS, the construction, development, equipping, improvement and operation of the Facility will entail a capital expenditure by or on behalf of the Company of approximately \$198,370,000, of which approximately \$103,591,000 will be invested in machinery and tools, approximately \$399,000 will be invested in furniture, fixtures, and business personal property, and approximately \$94,380,000 will be invested in the development, construction and up-fit of the real property for the Facility;

WHEREAS, the construction, development, equipping, improvement and operation of the Facility will further entail the creation and Maintenance of 218 New Jobs at the Facility; and

WHEREAS, the stimulation of the additional tax revenue and economic activity to be generated by the Capital Investment and New Jobs constitutes a valid public purpose for the expenditure of public funds and is the animating purpose for the COF Grant:

NOW, THEREFORE, in consideration of the foregoing, the mutual benefits, promises and undertakings of the parties to this Agreement, and other good and valuable consideration, the

receipt and sufficiency of which are hereby acknowledged, the parties covenant and agree as follows.

Section 1. Definitions.

For the purposes of this Agreement, the following terms shall have the following definitions:

“Capital Investment” means a capital expenditure by or on behalf of the Company in taxable real property, taxable tangible personal property, or both, at the Facility. The purchase or lease of machinery and tools or furniture, fixtures, and business personal property, including under an operating lease, and expected real property improvements and building construction and up-fit by or on behalf of the Company will qualify as Capital Investment. The Capital Investment must be in addition to the capital improvements at the Facility as of August 1, 2020.

“Maintain” means that the New Jobs will continue without interruption from the date of creation through the testing date for New Jobs. Positions for the New Jobs will be treated as Maintained during periods in which such positions are not filled due to (i) temporary reductions in the Company’s employment levels (so long as there is active recruitment for open positions), (ii) strikes, and (iii) other temporary work stoppages.

“New Job” means new permanent full-time employment of an indefinite duration at the Facility for which the standard fringe benefits are provided by the Company for the employee, and for which the Company pays an average annual wage of at least \$59,133. Average annual wage means the average annual salary of full-time positions at the Facility determined by dividing total payroll (of a type included in W-2 compensation) provided to full-time positions at the Facility by the number of full-time positions at the Facility. Each New Job must require a minimum of either (i) 35 hours of an employee’s time per week for the entire normal year of the Company’s operations, which “normal year” must consist of at least 48 weeks, or (ii) 1,680 hours per year. Seasonal or temporary positions, positions created when a job function is shifted from an existing location in the Commonwealth, and positions with construction contractors, vendors, suppliers and similar multiplier or spin-off jobs shall not qualify as New Jobs. As of August 1, 2020, there are no full-time positions at the Facility.

“Performance Date” means December 31, 2025. If the Locality, in consultation with the Authority and VEDP, deems that good faith and reasonable efforts have been made and are being made by the Company to achieve the Targets, the Locality may, at any time prior to the Performance Date, request an extension of the Performance Date by up to 15 months. Any extension of the Performance Date shall require the prior approval of the Company and the Board of Directors of VEDP (the “Board”). If the Performance Date is extended, the Locality shall send written notice of the extension to the Authority, the Company and VEDP and the date to which the Performance Date has been extended shall be the “Performance Date” for the purposes of this Agreement.

“Targets” means the Company’s obligations to make or cause to be made Capital Investments at the Facility of at least \$198,370,000 and to create and Maintain at least 218 New Jobs at the Facility, all as of the Performance Date.

“Virginia Code” means the Code of Virginia of 1950, as amended.

Section 2. Targets; Statutory Criteria.

(a) *Targets:* The Company will construct, develop, equip, improve and operate the Facility in the Locality, make or cause to be made a Capital Investment of at least \$198,370,000, and create and Maintain at least 218 New Jobs, all as of the Performance Date.

(b) *Encouragement to Offer New Jobs to Residents of the Commonwealth:* The Locality, the Authority, and VEDP hereby strongly encourage the Company to ensure that at least 30% of the New Jobs are offered to “Residents” of the Commonwealth, as defined in Virginia Code Section 58.1-302. In pertinent part, that definition includes natural persons domiciled in Virginia or natural persons who, for an aggregate of more than 183 days of the year, maintained a place of abode within the Commonwealth, whether domiciled in the Commonwealth or not.

(c) *Prevailing Wage; Unemployment and Poverty Rates:* The average annual wage of the New Jobs of at least \$59,133 is more than the prevailing average annual wage in the Locality of \$36,035. The Locality is a high-unemployment locality, with an unemployment rate for 2019, which is the last year for which such data is available, of 4.4% as compared to the 2019 statewide unemployment rate of 2.8%. The Locality is a high-poverty locality, with a poverty rate for 2018, which is the last year for which such data is available, of 18.2% as compared to the 2018 statewide poverty rate of 10.7%.

(d) *Disclosure of Political Contributions:* The Company acknowledges that the name of the Company will be shared by VEDP with the Governor of Virginia, and any campaign committee or political action committee associated with the Governor. The Company acknowledges that within 18 months of the date of this Performance Agreement, the Governor, his campaign committee, and his political action committee will submit to the Virginia Conflict of Interest and Ethics Advisory Council a report listing any contribution, gift, or other item with a value greater than \$100 provided by the Company to the Governor, his campaign committee, or his political action committee, respectively, during the period from the date of the Company’s application for the COF Grant through the one-year period immediately after the date of this Agreement.

(e) *Support for Virginia’s and Locality’s Economic Development Efforts:* Recognizing that it is in the best interest of all parties for the Commonwealth and the Locality to achieve sustained economic growth, the parties will periodically engage with one another to advise on economic development strategies and initiatives for the Commonwealth and the Locality, such as promoting the attributes of the Commonwealth and the Locality as great places to do business, or highlighting important industry trends and/or business development opportunities that the Commonwealth or the Locality may wish to pursue. Such engagement would include the Company’s participation in occasional business retention and expansion visits

from VEDP or Locality personnel, as deemed appropriate based on the project parameters and nature of the incentives provided to the Company.

Section 3. Disbursement of COF Grant.

(a) *Disbursement of the COF Grant:* The disbursement of the COF Grant proceeds to the Company will serve as an inducement to the Company to achieve the Targets.

The COF Grant is to be allocated as 90% (\$810,000) for the Company's Capital Investment Target, and 10% (\$90,000) for the Company's New Jobs Target.

Within 90 days after the Performance Date, the Company will provide the Performance Date Report described in Section 5(b). Through this report, the Company will provide notice and evidence to the Locality, the Authority and VEDP of the amount of Capital Investments made or caused to be made and retained, and the number of New Jobs created and Maintained, as of the Performance Date. The report will be subject to verification by the Locality and VEDP.

Upon such verification, the amount of the COF Grant proceeds to be disbursed shall be calculated as follows:

If Statutory Minimum Requirements Not Met: If, as of the Performance Date, the Company has not made or caused to be made and retained Capital Investments of at least \$1,500,000 and created and Maintained at least 15 New Jobs, it will not receive any of the proceeds of the COF Grant. These are the statutory minimum requirements (the "Statutory Minimum Requirements") for a grant from the Fund under the Virginia Code for a project located in the Locality.

If Targets Met: If, as of the Performance Date, the Company has fully achieved the Targets, the Company will receive all \$900,000 of the proceeds of the COF Grant.

If Statutory Minimum Requirements Met and Targets Not Met: If, as of the Performance Date, the Company has achieved the Statutory Minimum Requirements, but has not achieved the full Capital Investment Target and the full New Jobs Target, the Company will qualify for a reduced disbursement of the COF Grant, reflecting a proportional amount of the Target or Targets for which there is a shortfall. For example, if, as of the Performance Date, only \$178,533,000 of the Capital Investment has been retained (reflecting achievement of 90% of the Capital Investment Target), and only 109 New Jobs have been created and Maintained (reflecting achievement of 50% of the New Jobs Target), the Company will receive \$729,000 (reflecting 90% of the \$810,000 of the COF Grant allocated to the Capital Investment Target), *plus* \$45,000 (reflecting 50% of the \$90,000 of the COF Grant allocated to the New Jobs Target), for a total of \$774,000. These amounts reflect the percentages of the shortfall from the Capital Investment Target and the New Jobs Target, each such shortfall multiplied by the portion of the COF Grant proceeds available to the Company allocated to that Target.

The COF Grant proceeds shall be retained in the Fund until needed for disbursement or the COF Grant is withdrawn in accordance with the terms of this Agreement. Within 30 days after verification of the Performance Date Report, if any amount of COF Grant proceeds are available for disbursement to the Company, as determined in accordance with the foregoing calculations, VEDP will disburse that amount to the Locality. Within 30 days after receipt of such amount, the Locality will disburse such COF Grant proceeds to the Authority. Within 30 days after receipt of such amount, the Authority will disburse such COF Grant proceeds to the Company.

If no COF Grant proceeds are available for disbursement to the Company, as determined in accordance with the foregoing calculations, then, automatically: (i) the Company's rights under this Agreement will terminate, (ii) the COF Grant will be withdrawn, and (iii) the proceeds of the COF Grant retained in the Fund will be freed for redeployment to support other economic development projects, as permitted by the Virginia Code. If less than \$900,000 of the COF Grant proceeds are available for disbursement to the Company, as determined in accordance with the foregoing calculations, then, automatically, the amount of the proceeds of the COF Grant not available for disbursement to the Company will be retained in the Fund will be freed for redeployment to support other economic development projects, as permitted by the Virginia Code.

(b) *Use of the COF Grant Proceeds:* The Company will use the COF Grant proceeds to pay or reimburse the cost of the construction or build-out of a building for the Facility, as permitted by Section 2.2-115(D) of the Virginia Code.

Section 4. Break-Even Point: State and Local Incentives.

(a) *State-Level Incentives:* VEDP has estimated that the Commonwealth will reach its "break-even point" by the Performance Date. The break-even point compares new revenues realized as a result of the Capital Investment and New Jobs with the Commonwealth's expenditures on discretionary incentives, including but not limited to the COF Grant. With regard to the Facility, the Commonwealth expects to provide discretionary incentives in the following amounts:

<u>Category of Incentive:</u>	<u>Total Amount</u>
COF Grant	\$900,000
Enterprise Zone Job Creation Grant ("EZJCG") (Estimated)	580,800
Enterprise Zone Real Property Investment Grant ("EZRPIG") (Estimated)	200,000
Virginia Jobs Investment Program ("VJIP") (Approximate Value)	130,800

The proceeds of the COF Grant shall be used for the purposes described in Section 3(b). The proceeds of the EZJCG and the EZRPIG may be used by the Company for any lawful purpose. The VJIP program proceeds shall be used by the Company to pay or reimburse itself for recruitment and training costs.

(b) *Local-Level Incentives:* The Locality expects to provide the following discretionary incentives, as matching grants or otherwise, for the Facility by the Performance Date:

<u>Category of Incentive:</u>	<u>Total Amount</u>
Machinery and Tools Tax Grant	\$900,000

If, by the Performance Date, the total of all Local-Level Incentives disbursed or provided, or committed to be disbursed or provided, by the Locality to the Company is less than the \$900,000 COF Grant local match requirement, the Locality, subject to appropriation, will make an additional grant to the Company of the difference promptly after Performance Date, so long as the Company has met its Targets.

The proceeds of the Local-Level Incentives may be used by the Company for any lawful purpose.

(c) *Other Incentives:* This Agreement relates solely to the COF Grant. The qualification for, and payment of all State-Level Incentives and Local-Level Incentives, except for the COF Grant, will be governed by separate arrangements between the Company and the entities offering the other incentives.

Section 5. Company Reporting.

(a) *Progress Reporting:* The Company shall provide, at the Company's expense, in the form attached hereto as Exhibit A, detailed verification satisfactory to the Locality, the Authority, and VEDP of the Company's progress on the Targets. Such progress reports will be provided annually by April 1, starting at April 1, 2021, and covering the period through the prior December 31. Further, the Company shall provide progress reports at such other times as the Locality, the Authority, or VEDP may require.

(b) *Performance Date Report:* The Company shall provide, at the Company's expense, in the form attached hereto as Exhibit B (the "Performance Date Report"), detailed verification satisfactory to the Locality, the Authority, and VEDP of the Company's achievement of the Targets. The Performance Date Report shall be filed within 90 days after the Performance Date.

Should the Company be unable to file the Performance Date Report within the 90-day timeframe, the Company may request a 60-day delay in filing the Performance Date Report. VEDP will require a \$3,000 fee, payable to VEDP, to process the request for the filing delay. Should the Company not file the Performance Date Report within the 90-day window nor request a filing delay (including payment of the required fee), or if the Company requests a filing delay but does not file the Performance Date Report prior to the new filing deadline, VEDP will withhold any COF Grant payment that might otherwise be due and all rights of the Company under this Agreement will automatically terminate.

(c) *Virginia Corporate Income Tax Information:* With each such progress report or the Performance Date Report, the Company shall report to VEDP the amount paid by the Company (or for a pass-through entity, by its shareholders, members or partners) in the prior calendar year in Virginia corporate (or for a pass-through entity, personal) income tax. VEDP hereby represents to the Company that it considers such information to be confidential proprietary information that is exempt from public disclosure under the Virginia Freedom of Information Act and that such information will be used by VEDP solely in calculating aggregate return on invested capital analyses for purposes of gauging the overall effectiveness of economic development incentives.

Section 6. Verification of Targets.

(a) *Verification of Capital Investment:* The Company hereby authorizes the Locality, including the Locality's Commissioner of the Revenue and Treasurer, to release to VEDP the Company's real estate tax, business personal property tax and machinery and tools tax information. Such information shall be marked and considered confidential and proprietary and shall be used by VEDP solely for verifying satisfaction of the Capital Investment Target. If the Locality, the Office of the Commissioner of the Revenue or the Office of the Treasurer should require additional documentation or consents from the Company to access such information, the Company shall promptly provide, at the Company's expense, such additional documentation or consents as the Locality, the Authority, or VEDP may request. In accordance with Virginia Code Section 58.1-3122.3, VEDP is entitled to receive the Company's real estate tax, business personal property tax and machinery and tools tax information from the Locality's Commissioner of the Revenue.

(b) *Verification of New Jobs and Wages:* The Company must submit copies of its four most recent Employer's Quarterly Tax Reports (Form FC-20) for the Facility, as filed with the Virginia Employment Commission, with the Performance Date Report. The forms shall be marked and considered confidential and proprietary and shall be used by VEDP solely for verifying satisfaction of the New Jobs Target. In accordance with Virginia Code Section 60.2-114, VEDP is entitled to receive the Company's employment level and wage information from the Virginia Employment Commission.

The Company agrees that it will report to the Virginia Employment Commission with respect to its employees at a facility-level, rather than at the company-level.

(c) *Additional Documentation:* In addition to the verification data described above, in the sole discretion of the Locality, the Authority, or VEDP, the Locality, the Authority or VEDP, may each require such other documentation or audits as may be required to properly verify the Capital Investment and New Jobs.

Section 7. Redeployment.

If the Locality, the Authority or VEDP shall determine at any time prior to the Performance Date that the Company is unable or unwilling to meet and Maintain its Targets by and through the Performance Date, and if the Locality, the Authority or VEDP shall have

promptly notified the Company of such determination, then, automatically: (i) the Company's rights under this Agreement will terminate, (ii) the COF Grant will be withdrawn, and (iii) the proceeds of the COF Grant retained in the Fund will be freed for redeployment to support other economic development projects, as permitted by the Virginia Code. Such a determination will be based on such circumstances as a filing by or on behalf of the Company under Chapter 7 of the U.S. Bankruptcy Code, the liquidation of the Company, an abandonment of the Facility by the Company or other similar significant event that demonstrates that the Company will be unable or is unwilling to satisfy the Targets for the COF Grant.

Section 8. Notices.

Formal notices and communications between the parties shall be given either by (i) personal service, (ii) delivery by a reputable document delivery service that provides a receipt showing date and time of delivery, (iii) mailing utilizing a certified or first class mail postage prepaid service of the United States Postal Service that provides a receipt showing date and time of delivery, or (iv) delivery by electronic mail (email) with transmittal confirmation and confirmation of delivery, addressed as noted below. Notices and communications personally delivered or delivered by document delivery service shall be deemed effective upon receipt. Notices and communications mailed shall be deemed effective on the second business day following deposit in the United States mail. Notices and communications delivered by email shall be deemed effective the next business day, not less than 24 hours, following the date of transmittal and confirmation of delivery to the intended recipient.
