[REDACTED]

The Lemon Grove Ku Klux Klan has become fed up with your meddling in the affairs of newspapers of the community. The key word here is "community", to serve the needs for information of the community. Not to be the ad agency or propaganda machine of the ADL or Mossad or Israel, or any other Commie Kike outfit. Do you or do you not understand this? Therefore the KKK asks you this insisted favor: It will be good for your health if you, and any representative of you, stays out of Lemon Grove and La Mesa entirely, and also refrains from coming into contact in anyway whatsoever with the people at the Lemon Grove Review or the San Diego Jewish Times. If at anytime we find out that you do, please understand that we will kill you. If we find this difficult we will simply burn down the ADL's headquarters. Thank You.

Heil Christ!

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 5/11/93

[redacted] Anti-Defamation League (ADL) of B'nai B'rith, San Diego, California was contacted by SA [redacted], Federal Bureau of Investigation (FBI). After explaining the reason for contact and the nature of the investigation, [redacted] agreed to be interviewed and furnished the following information.

[redacted] advised that he had no idea who specifically would have sent him the threatening letter in question. He stated that it was his opinion that the author of the letter was acting alone and doubted such an organization as the "KKK of Lemon Grove" could exist for any length of time without it's existence or membership having surfaced before this matter.

When asked if he could recall any instance occurring which might have been the catalyst to this letter being written, he stated that the only incident taking place just before that concerned a local radio program.

b6  
b7c

[redacted] explained that approximately a week or two before he received the letter, KFMB Radio [redacted] conducted a telephone interview of [redacted] from Georgia. [redacted] advised that he considered statements made by [redacted] so wrong and inflammatory that he telephoned the show and joined in on the discussion. He added that the debate became a heated argument in which a pro-white supremacy listener might have become greatly angered by [redacted] remarks to [redacted]

[redacted] was asked if there existed any special relationship between the ADL and the Lemon Grove Review which was mentioned in the letter. He advised that the ADL has no contributing, editorial or advertising relationship with the newspaper. [redacted] opined that the letter's author might have incorrectly assumed from [redacted] that he is Jewish.

In discussing various details of the letter, [redacted] advised that an "Exalted Cyclops" is the title for a local Ku Klux Klan chapter leader. He stated that the ending salutation, "Heil Christ" was unfamiliar to him and he opined was not one which the ~~mainstream of the KKK would utilize due to the religious reference.~~

Oh, Dear, my love,  
how I've missed you these  
long days of July. How I've sat  
with sickness in my heart with  
not being with you, I've missed  
your kisses and your playfulness  
I thought of later days and how  
we will become one. You've entered  
my mind at every significant  
song I've heard, I've praised to  
the Lord for your hand, not to  
mention the rest of you. As I  
sit on my bed, where you've placed  
it with your presence I plot my  
plans of how to win your heart,  
how to shield you from all that is  
not good. Oh, God be with me in  
my quest for Mrs. Darling Lamb,  
who makes me shudder. How glorious  
it will be when my dream of you  
is realized. Oh, how I do yearn of  
Dear, With the love of God and

The following investigation was conducted in San Diego by Special Agent [redacted].

On May 18, 1993, Detective [redacted] San Diego Sheriff's Office (SDSO)/Special Investigations Unit (SIU) advised of recent developments concerning the investigation of various acts of violence and intimidation attributed to an unknown individual utilizing the name, [redacted] and claiming association with the "Lemon Grove KKK", which also uses the name, "Ku Klux Klan of Lemon Grove, California".

[redacted] advised that on the evening of May 13, 1993, his agency arrested [redacted] age [redacted] and charged him with vandalism and various other state charges. Inasmuch as he was a minor, [redacted] was then placed in the care and custody of San Diego County juvenile authorities.

b6  
b7C

The detective participated in the arrest and interview of [redacted] at which time the subject acknowledged responsibility for the writing and mailing of threatening letters penned under the name, [redacted]. These menacing and abusive letters, based on racial themes, were sent to parents of female Mt. Helix High School students who were allegedly engaged in social relationships with minority race male students; [redacted] of the Anti-Defamation League of B'nai B'rith; and [redacted] of the "SAN UNION JEWISH TIMES". [redacted] added that he believes that Detective [redacted] El Cajon Police Department, is in possession a threat letter sent to the newspaper.

However, [redacted] denied direct involvement in the various acts of vandalism attributed to the "KKK of Lemon Grove, California". These include spray paint vandalism to an SDSO patrol car and highway signs marking a stretch of highway designated, "Martin Luther King Way"; two burglaries at Mt. Helix High School; and window breaking (resulting from rock throwing) at the "LEMON GROVE REVIEW". [redacted] told [redacted] that these acts were committed by the "NIGHTHAWK" who he refused to further identify.

b6  
b7C

[redacted] stated that [redacted] was the suspect in the two school burglaries inasmuch as the race relations and white supremacy material stolen from the school were found in the bedroom of [redacted]. An old Smith-Corona brand, manual typewriter was also located there and seized due to the likelihood that it was the writing instrument utilized in the production of the hate mail.

A log of his racist related criminal activity was located within a memo book during the search. It identified his activities from July 5, 1992 (spray painting of Martin Luther King Way road signs) through May 5, 1993 (mailing of letters to the parents of five "race-mixers").

[redacted] characterized [redacted] as a strong and earnest self-taught believer in the white supremacy movement. He noted that [redacted] did not express any remorse for the actions of which he admitted responsibility. [redacted] further described [redacted] as an intelligent, politically aware yet quite possibly maladjusted young man.

[redacted] was found to subscribe to various racist and hate publications including those produced by [redacted] of the WHITE ARYAN RESISTANCE (WAR) in Fallbrook, California and [redacted] of Georgia.

b6  
b7C

[redacted] advised [redacted] that he was not affiliated with any other ARYAN or white supremacy group. He stated that he did not personally know many of the major personalities in the white supremacy movement nor does he have a personal relationship with [redacted]

[redacted] provided the following background concerning [redacted] who is an honors student at Mt. Helix High School:

On June 1, 1993, the following investigation was conducted by Special Agent (SA) [redacted] FEDERAL BUREAU OF INVESTIGATION (FBI), San Diego, California.

Detective [redacted] San Diego Sheriffs Office (SDSO), Lemon Grove Sub-Station, was met for the purpose of discussing her criminal investigation concerning [redacted]

b6  
b7c

During this conversation [redacted] displayed the various documents which her office had seized from the [redacted] residence on the evening of his arrest. Included among these papers were the apparent rough drafts to correspondence he had later typed and mailed to his victims.

[redacted] advised that [redacted] parents had purchased a copying machine for him which he used to mass produce form letters such as those he sent to the parents of high school girls. These letters advised the parent(s) that his organization had noted that the girl was socializing with minority males and hinted to consequences if they did not correct their children's actions.

Upon review of page two in [redacted] "cipher book", it was noted that the name [redacted] (sic) had been written down as a "possible recruit" and was then apparently crossed out with the notation "moved" written next to his name.

[redacted] pointed out that page sixty-eight of the book apparently indicates that on August 3, 1992, [redacted] and [redacted] (sic) had vandalized a sign with spray paint by putting "KKK" on it and writing "KKK Says No To Porn" on the side of an unspecified store. [redacted] was of the belief that this store may have been the VIDEO EXCHANGE adult video store which was the target of other acts by [redacted]. She stated that the policy of that store was not to report vandalism of this type to the authorities; therefore, she had no police report to match to this incident.

b6  
b7c

[redacted] provide a copy of several documents which are attached. They are:

1.) The apparent rough draft to the threatening extortion letter which was typed and mailed to [redacted] Anti-Defamation League (ADL) of the B'nai B'rith.

2.) A page from the telephone book which was marked to indicate interest in the listing of the ADL office. The zip code of "92108" was also written near this listing.

3.) A handwritten page of ingredients which appear to be sought for the production of an unspecified poisonous compound.

4.) A handwritten page of ingredients apparently sought for the formulation of an incendiary device, possibly in a pipe bomb configuration.

5.) Hit list of individuals designated for assassination, dated 2/5/93.

6.) List of female Mt. Helix High School students who were targeted by [redacted] as "race-mixers".

[redacted] advised that her office would not be charging [redacted] on the threat/extortion letter sent to [redacted] inasmuch as the victim received the letter within San Diego where the ADL office is located.

b6  
b7c

[redacted] also informed the Special Agent that some of the letters and correspondence sent out by [redacted] were signed by a [redacted]. She stated that when she had asked [redacted] who [redacted] was; he replied that it was merely the name of an FBI Top Ten fugitive from long ago whose name he decided to use for this purpose.

Dear [REDACTED]

April 6, 1993

The Lemon Grove Ku Klux Klan has become fed up with your meddling in the affairs of newspapers of the community. The key word here is "community", to serve the needs for information of the community. Therefore, ~~we~~ not to be the ad agency or propaganda <sup>agency</sup> of the ADL or Mossad or Israel, or any other Commie kike outfit. Do you <sup>do you</sup> or ~~not~~ understand this. Therefore the KKK asks you this insisted favor: It will be good for your health, if you ~~and~~ <sup>or</sup> any representatives of you, stays out of Lemon Grove and La Mesa entirely, and also refrains from ~~you~~ coming into contact in any way whatsoever with people at the Lemon Grove Review or San Diego Jewish Times. If at any time we find that you do, <sup>please</sup> understand that we will kill you. If we find this ~~to~~ difficult we will <sup>simply</sup> burn down the ADL's headquarters. Thank you.

## Newspaper is also hit by vandalism

By CHET BARFIELD  
Staff Writer

LEMON GROVE — A special sheriff's unit is investigating a series of threats and vandalism against the *Lemon Grove Review* newspaper by white supremacists who say they are forming a local chapter of the Ku Klux Klan.

The 2,000-circulation weekly newspaper has received five threatening letters since August from an individual or group purporting to represent the Klan's militant "fiery order of the invincible empire," publisher Pete Kaufman said.

The first letter, dated Aug. 30, asked the paper to provide a forum through which the budding Lemon Grove KKK chapter could gain members, Kaufman said.

After the newspaper refused to publish the letters, which grew increasingly threatening and accused the *Review* of "the bastardization of our white populace," an office building vacated 10 months ago by the newspaper was vandalized. On the night of Oct. 30-31, a rock with a note was thrown through the plate glass window and KKK graffiti were sprayed on the outer walls.

Sgt. Doug Walters, who heads the Sheriff's Department detective unit in Lemon Grove, said the department's special criminal intelligence unit has been called in on the case, which is being classified as a hate crime.

Walters said a preliminary investigation points toward a "stand-alone incident" aimed at the newspaper and not part of a broader series.

"It seems very focused... if in fact it is even a KKK group," he said. "At this point, we don't even know that for sure."

The director of an East County non-profit agency that monitors hate crimes said that similar letters were sent last month to a racially mixed couple in Lemon Grove and that graffiti spray-painted on an elementary school had KKK markings along with those of street gangs.

"There are some people doing some ugly things and calling themselves 'the exalted cyclops,'" said Clara Harris, director of the Heartland Human Relations Association. "At this point, your guess is as good as mine whether there is actually a group of KKK."

"I could be wrong, but there seems to be a concerted effort to convince the community that there is a den of KKK in Lemon Grove."

The *Lemon Grove Review* detailed the threats and violence in a front-page story Thursday, offering a \$1,000 reward for information leading to arrests and convictions.

"The *Review* will not be terrorized into publishing hate messages of this cowardly group," the newspaper said.

Kaufman said the letters railed against everything from junior high school dances and pornography to blacks and undocumented immigrants — designated in pejorative terms — and Jews.

A threat to publisher Kaufman said that a tribunal had found him guilty as an enemy and that "out of a warm, rainy night ride the soldiers of the fiery cross... under contract from our father to destroy his unbelievers."

Morris Casuto, director of the San Diego chapter of the Anti-Defamation League of B'nai B'rith, said he has spoken with Kaufman and sheriff's investigators and remains uncertain whether the perpetrators are affiliated with the Ku Klux Klan.

"It would appear we may be dealing with a very small group of people, if it's even a group," Casuto said. "If it is a budding chapter of the KKK and they continue in the vein they have started — in terms of harassment, intimidation and property damage — they're going to have a brief history, indeed."

"They should learn from the experience of other individuals who have violated the law in San Diego County. ... If they're caught, they're going to do jail time."

Harris, of the Heartland Human Relations Association, has met with the publisher and authorities investigating the case. She said she is disturbed by what appears to be a new flurry of racism spreading throughout the county.

PREDICATION

The San Diego Office of the Federal Bureau of Investigation (FBI) initiated a civil rights investigation in this matter based on a newspaper article appearing in the SAN DIEGO UNION-TRIBUNE on November 18, 1992. The article concerned a Sheriff's Department investigation of racist threats and acts of vandalism against a newspaper in the San Diego, California, area known as the LEMON GROVE REVIEW. The weekly newspaper has received five threatening letters since August of 1992, from a group purporting to represent the Ku Klux Klan's militant "fiery order of the invincible empire." Additionally on October 31, a rock with a note attached was thrown through the plate glass window of the newspaper. Additionally, KKK graffiti was sprayed on the outer walls. The matter is currently being investigated by the San Diego Sheriff's Department in Lemon Grove, California, as well as the Sheriff's Special Criminal Intelligence Unit, which is assisting in the investigation. The case is classified in San Diego as a hate crime.

44A-SD-51031

SAN DIEGO COUNTY SHERIFF'S DEPARTMENT  
REPORT OF INVESTIGATION

The following investigation was conducted by Special Agent (SA) [redacted] in San Diego, California:

[redacted] On December 7, 1992, SA [redacted] contacted [redacted] a Special Investigator for the Sheriff's Department Intelligence Unit in San Diego. The unit to which [redacted] is assigned, investigates hate crimes in San Diego County. [redacted] provided to SA [redacted] copies of the reports of the ongoing investigation against the racist threats and acts against the LEMON GROVE REVIEW. In addition, [redacted] provided four additional investigative reports concerning similar type threats and hate crimes in the San Diego area.

b6  
b7c

[redacted] further advised that the letters that have been received by the LEMON GROVE REVIEW have been forwarded to the California State Department of Justice Laboratory in Riverside, California, for analysis and evaluation. [redacted] advised that fingerprint evaluations were being made, as well as handwriting analysis, of similar type criminal threats. The analysis is expected to be completed by January of 1993. Also involved in the investigation, is [redacted] of the Lemon Grove Substation for the San Diego County Sheriff's Department.

On Friday, 921106, I contacted [redacted] the [redacted] of the Lemon Grove Review regarding Klan activity in the Lemon Grove area

[redacted] stated since the latter part of August, 1992, he has received a series of communiques from persons claiming to belong to the Lemon Grove klavern of the Invisible Empire of the ku Klux Klan.

The following exhibits were received by [redacted] follows:

1. Letter dated 920831 - letter to editor requesting to be published and attached letter of introduction from the klan and signed by the [redacted]
2. Post card dated 920925 acknowledging they read the last newspaper but indicated they wanted their letter printed.
3. Letter dated 920930 - appears to have been written by a female pretending to work for Temple Beth Jacob.
4. Letter received mid-October - hand written and signed by a [redacted] stating he witnessed the writing of the last letter therefore his name should be credited as the writer and the original letter should be published.
5. Letter dated 921030 - indicating the letter is being dictated to the klavern kligrapp (secretary) by the KLOKAN tribunal and to be delivered by airmail attached to a rock. The letter offensive in nature towards the Lemon Grove Review and threatening in content towards Kaufman.

b6  
b7c

Following the last letter which was delivered by rock on 921030, through the window at 3434 Grove street, Lemon Grove, along with the spray painting of a klansman, a cross and KKK on the wall. [redacted] is going to respond to the klan in his newspaper which will be published on 921112.

Further information revealed a Lemon Grove family named [redacted] received a letter from the same individuals dated 920826. The letter was directed at the family because they have two children of mixed nationalities. Case # 92062272.

An examination of the letters indicates the persons involved are probably members of the IEKKKK. A check of intelligence files has not revealed any subjects who may be involved in this investigation.

Dear Editor:

Just a note from your friends at the  
Lenox Grove Klavern, of the Ku Klux Klan. We just  
got your 9-24<sup>th</sup> issue. Very nice, but it lacks the  
real issues. Perhaps you could spice it up if you began  
engaging in free speech such as printing the letter I  
sent you a few weeks ago. We're growing in members and  
I think it would be in your best interests to show all argu-  
ments and grievances. I spoke to employee of Video  
Exchange and he said if he wanted to shut down persons,  
I should go to the CC, but perhaps VE is too much a friend  
of the CC and the L.G. Rev. Also you should have been harder  
on the Jew [redacted] Video Ex. Sincerely [redacted]

POST CARD

Attention: Resident

8/ 26/ 1992

This is an introductory notice from the Lemon Grove Den, of the Invisible Empire, Knights of the Ku Klux Klan. We are aware of your presence and your threat to IG unity. I, the Exalted Cyclops, understand your reason for being in this nation. We go far back. My Great-great-great-great-great-grandfather owned the slave plantation upon which the Battle of Cowpens was fought in 1781. Now that the master-slave relationship has become muddled it is with Christ's help that the Lemon Grove niggers will see it's true God given position. This does not mean you are hated. My fathers did'nt hate their slaves and we hope that hate will not have to come into practice, because our wrath can be harsh at times. For now we suggest that your two mulatto children are versed in their safety of not showing any signs of insolance. They are being watched. This may seem scary but let it be done in God's word.

[redacted] and your younger son are symbols of everything we are against and the slightest flicker of wrong doing will require reprocusions. We definetly suggest no contact to be made between them and white girls as this is an example of our definition of insolance.

Sincerely,

ORDER for LG KKK regarding question of Lemon Grove Review:

Attn: [redacted] responsible for Lemon Grove Rag-view, from weekly  
congregation of Lemon Grove Ku Klux Klavern of the

Out of the warm, rainy night ride the soldiers  
of the Fiery Cross. The Lemon Grove Review has long hidden under  
it's cloak of Kosherness. We'll expose you. We're under contract  
from our Father to destroy his unbelievers. We have come to the  
conclusion that you are not one of us. You and your form of  
censorship proves you to be of the enemie's control. You were  
on our neutral list, now you rank among Jew-owned Video Exchange  
and Queer Nation. You dug this hole, You'll Lie In It, by God.  
Put this in your vandalism column.

We hold you responsible for: miscegenation promoting  
dances at Junior Highs, the meager response to Gays, Gangs,  
Pornography, Drinking, Niggers, Wetbacks, Jews, Mongolians,  
Institutional Secularism, Jungle resembling Schools, and the  
Bastardization of our white populace. The sentense wrought on  
you by our tribunal, this day, 30 October, in the year of our  
Lord, Nineteen-Hundred and Ninty-two, gives you the verdict  
of Guilty on all counts, for your neg ligence and downplayment  
of the issues, thereby increasing the accepted insolance  
against our Bible and Constitution, not to mention your lack  
of publishing important letters to Lemon Grove. The sentence is  
DESTRUCTION!!!!!!!!!!

Dear Editor,

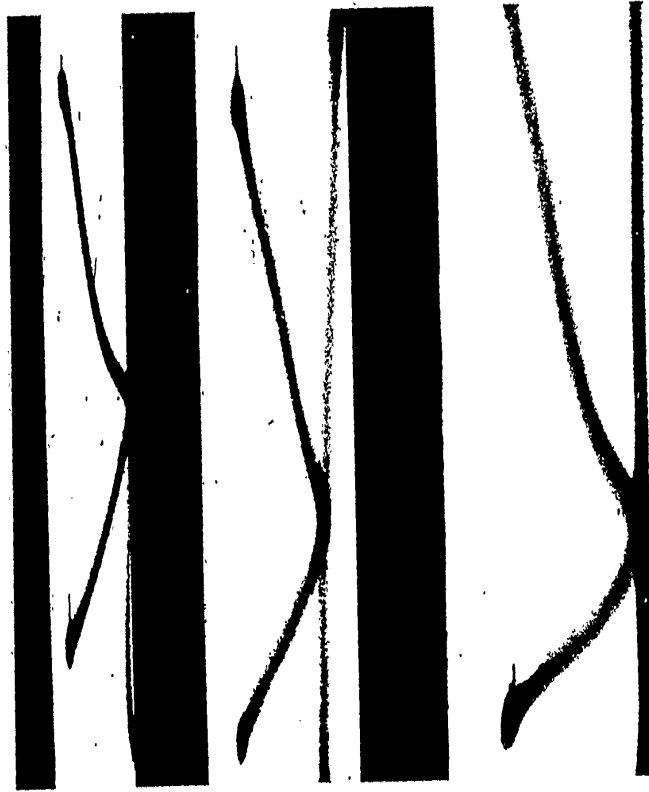

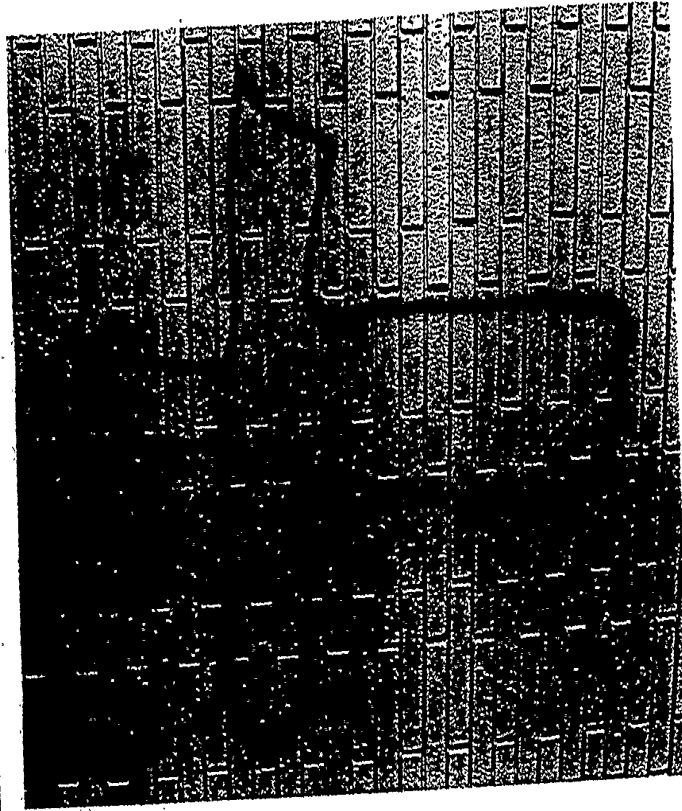

I'm a Ghoul member of the Lemon Grove KKK. I was picked to write this letter by order of our [redacted]. On Friday night at our Klavern we discussed options about your paper's refusal to publish our letter. I myself was ~~not~~ present when the letter was written, so I can be credited as the writer. For the most part I'm little known in Lemon Grove, except for my neighbors, and revealing my name won't cause much harm. By the way, our E.C. tells me this is the last friendly letter you will receive.

For the record: I, [redacted], hereby take full responsibility for the letter dated 8/30/1992, which at present is signed by the [redacted] of the Lemon Grove Ku Klux Klan Klavern. I'm aware of the entire contents, and they are exactly the opinions of myself.

To the Editor personally:

8/31/1972

Dear Sir or Ma'am,

To be used in your paper of the articles entitled "Letters to the Editor", I have kept this letter short and rather moderate. It is written simply and is devoid of derogatory slurs or even comments about anybody in particular. I think that this letter if published will attract a strong interest and readers will be pleased to be in the know about us and also that you are a free speech paper. Our association has quite a few allies so far in town. We would now like to announce a very unofficial union with the Lemon Grove Review. If anything is needed from us for your interests then just drop a hint in your paper. Our Klokard (Klavern teacher and info gatherer) closely reads you and we will act accordingly.

Thank You. 1

Dear Editor,

8/31/1992

This is an open letter to all citizens:

Lemon Grove is ready for some changes I believe. We at the Lemon Grove Klavern of the Invisible Empire Knights of the Ku Klux Klan see it as a large scale renovation of the social and moral status quo. Over the past couple of years LG has seen pornography and topless bars rise out of our rich soil. Some of the residents may be able to tolerate one or two on the other side of town but this reasoning leads to havoc as once you start being tolerant you could see it spread and overrun peaceful growing towns such as ours.

California's worst problems are racial. S. CA is a hotbed of future race wars. No amount of evening the racial balance or integration is going to calm this fact. Parents must be the strongest forewarned. Since four their children have attended integrated schools, a situation every forefather is disgraced to see as they look upon us from Heaven. Inevitably this leads to inter-racial dating and no nation or empire has ever been able to survive with a policy of miscegenation. Let your kids be educated before they leave for school, to be versed in your family's traditional doctrine and not the governments standards of thought.

To calm the nerves of some Lemon Grovians who are easily exited, let the word be spread across the land that the LG KKK is a Christian, Patriotic society which will forever uphold the principles of the Bible, Constitution, and racial and nationalistic survival.

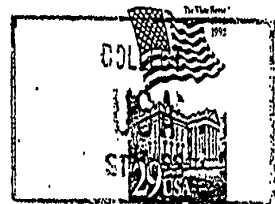

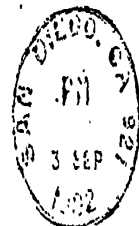

In Christ Jesus's Name,

Lemon Grove KKK  
Southern Den  
Dec. 1 1992

Dear Mr. [redacted]

Believe it or not, the Lemon Grove KKK reads the San Diego Jewish Times. This letter is designed to address the Jewish Community and state our policies concerning them. Also to make them aware of the changes we would like to see. Recently articles about the Lemon Grove Klan have offered awards for my and my colleagues arrest. When you publish our letter and condemn or praise it you should let it be known that it is our intent to kill infiltrators of the KKK. To calm our relationship, as far as I can ascertain no members of my Inner Circle were involved in the problems you had at your offices a while back. Thank You.

OPEN LETTER:

Dear Jews,

Dec. 1, 1992

We at the Lemon Grove Ku Klux Klan are now mobilizing in an underground effort to dismantle powers which we find "un-kosher". Our two largest condemnations are America's Jew-power structure and the Italian and mafia controlled Vatican. These are the two largest forces of evil facing America. All Non-Christians are dealers with Satan, since their practices prohibit their entrance into Heaven. This letter concerns the Jewish Community. Many anti-Semites may lump the entire Semetic race into one category and hold them responsible for society's ills. We feel it is only a handful of elitist pure Jews at the top who, work in hand with the Catholic Church, who actually willfully plan the downfall of Western Civilization. This is done through gradual forced integration, busing and race-mixing. Elitist Liberal Jews also push for excessive colored immigration. I know a lot of regular Jews who get their toes stepped on. Florida is probably going to spend over \$10 billion on Haiti's boatpeople and AIDS patients. In New York City, the world's Jewish hub, blacks are now in the majority and you know there is never going to be a fair murder trial in it's history. New York is now Democratically Nigger controlled.

Our point is to make a distinction between elitist Jews (who work with greedy whites) and regular Jews. The only problem with regular Jews is the racial significance. Hence, they are defined as non-white and fall under the same considerations as everybody else.

The Lemon Grove KKK is purely Christian and promotes America's fundamental Protestant ethic. Morality has been superseded by a Jewish controlled media, foreign to us. Too much evidence is available to not make an educated man see that the media and Jewish political agitators have sponsored the feminist movement, abortion rights, and pornography. I ask all people in the Jewish Community to protest Lemon Grove's Video Exchange an intensely hedonistic lair [redacted] Jew, [redacted] recently jailed for overtly obscene pornography.

Right.  
You know what I'm referring to. I couldn't believe it either.

It can be a focus point of the KKK and Jewish moralists to rally against institutional perversion.

Our Klavern conducts it's buisness in two Dens, one at each end of Lemon Grove. In our library we study Nordic-Jewish history and see that the time for separation† and we prefer to see it occur mutually. Once America is free of Catholic and Jewish control, we can truely be a nation under God.

In Christ's Name.

Lemon Grove Ku Klux Klan

Dear Officer [redacted] Dec. 2, 1992  
because of our covert operations it is sometimes difficult for you to surmise our implications in crimes. I just wanted to let you know that no one with us was involved with that vile spectacle reeked upon LGMS over the Thanksgiving weekend. Our only vice at the moment with them is those hideous race-mixed dances they have on occasion. That much you can be sure will soon cease. On another issue, we know there are rewards for information leading to the arrest and dismantlement of the Lemon Grove KKK. I strongly urge you not to attempt to plant an informant on us. It is our intent to kill infiltrators, [redacted]

In Christ's Name,

[redacted]  
Lemon Grove Ku Klux Klan

Dear Sir or Madam,

9-30-1992

I'm a faithful worshiper at Beth Jacob Synagogue on College Avenue. For the past month we have been receiving distressing letters and phone calls from a hate-group referring to itself as the Lemon Grove Klu Klux Klan. I wasn't going to bring it up to you but our staff has said they say that the Lemon Grove Review is a Jewish newspaper and something regarding you being anti-free speech. We've never had really any problems like this in the past, I myself am in charge of these matters as I'm Beth Jacob's representative for the Anti-Defamation League. That is the reason I must be unanimous. Our congregation wants to totally wash our hands of the whole affair. We find it is best to appease these kinds of people. Please don't contact us, as already many of our people have been hurt by it, we only hope if you give some sort of concession to these people it will eventually calm down. Thank You Very Much.

Sincerely,  
Your Friend at Beth Jacob

CRIME DESCRIPTION:

Person(s) unknown defaced a group of four black and white 8" X 10" photographs which were posted on the lobby wall of the Lamplighters Theater of La Mesa located at 8053 University Avenue in La Mesa. The photographs were defaced by a black pen with the letters, "KKK".

NOTIFICATION:

At approximately 1920 hours on 11/20/92, I received a radio call to take a report of a vandalism at the Lamplighters Theater of La Mesa, 8053 University Avenue in La Mesa.

REPORTING PERSON'S STATEMENT:

Upon arrival, I was met by the theater manager, [REDACTED] stated that between 2230 hours on 11/19/92 and 1830 hours on 11/20/92, person(s) unknown entered the theater lobby area of the theater. Located on the south wall of the lobby were posted 8" X 10" black and white photographs of the actors of a play which is currently playing. The play is named "The Convertible Woman", an ethnic theme involving the Jewish religion. Four of the photographs were defaced by a black pen with the letters "KKK". The lobby area of the theater has public access from the library next door.

WITNESS AND SUSPECT INFORMATION:

There is no witness or suspect information.

EVIDENCE:

None.

RELATED REPORTS:

Possibly, 92-07630.

OPINIONS AND CONCLUSIONS:

It is my opinion that the letters "KKK" are to represent the letters of the Klu Klux Klan. Due to the nature of the play, this vandalism is also a hate crime per 422.6(b) PC.

RECOMMENDATION:

Case suspended pending additional leads. I request a copies of this report be forwarded to Investigations and Lt. [REDACTED]

CONTENT LOSS: STRUCT LOSS:

Dear Principal,

I greet you . This letter concerns a certain topic that has worried Lemon Grove Klansmen since last year. It is the dances at your school. In the Puritanical era of this nation, dancing was viewed as a sin and in most cases illegal. It is viewed so as today by us. Satan would be proud of condoning this act, which is only part of a planned program by certain anti-Christian groups to bastardize the youth of America. The fact that these going-ons are inter-racial is only more of a threat. You are found guilty of corraling young Nordic children into a cesspool of coloured mud. This is the first and last warning which will be given. Heed it or face the consequences of a powerful reprisal. If you do plan to have another dance, don't bother setting up lighting, your auditorium will be a torch of flames and provide a nice spectacle in itself.

Signed,

*W. T. ...*

time to wake up!

The Ku Klux Klan would like to take this time to salute and congratulate all gang bangers for the slaughter of over 4000 Black people since 1975. You are doing a marvelous job. Keep killing each other for nothing. The streets are still not for you Niggers...It is ours! You are killing each other for our property. You are killing what could be future Black Doctors, Lawyers and Businessmen that we wont have to compete with, and the good thing about it is that you are killing the youth. So we wont have to worry about you Niggers in generations to come.

We would further like to thank all the judges who have over-sentenced those Niggers to prison.

We are winning again. Pretty soon we will be able to go back to raping your women, because all the men will be gone. So, you gangbangers...keep up the good work. We love to read about drive by shootings. We love to hear how many Niggers get killed over the weekends. We can tolerate the Niggers with jungle fever (for now)...Because that further breaks down the race. To all gangbangers around the world, we don't love you Niggers, but we can appreciate you gangbangers. You are doing a wonderful job in eliminating the Black race. Without the men, your women cannot reproduce...unless of course, we do it for them. Then we will have successfully eliminated a race thanks to your help and commitment to killing each other. If most of you Nigger gangbangers cannot read this letter, it is OK.

GO PULL A TRIGGER AND KILL A NIGGER!!

# Sheriff investigates racist threats, acts against newspaper

By CHET BARFIELD  
Staff Writer

LEMON GROVE — A special sheriff's unit is investigating a series of threats and vandalism against the *Lemon Grove Review* newspaper by white supremacists who say they are forming a local chapter of the Ku Klux Klan.

The 2,000-circulation weekly newspaper has received five threatening letters since August from an individual or group purporting to represent the Klan's militant "fiery order of the invincible empire," publisher Pete Kaufman said.

The first letter, dated Aug. 30, asked the paper to provide a forum through which the budding Lemon Grove KKK chapter could gain members, Kaufman said.

After the newspaper refused to publish the letters, which grew increasingly threatening and accused the *Review* of "the bastardization of our white populace," an office building vacated 10 months ago by the newspaper was vandalized. On the night of Oct. 30-31, a rock with a note was thrown through the plate glass window and KKK graffiti were sprayed on the outer walls.

Sgt. Doug Walters, who heads the Sheriff's Department detective unit in Lemon Grove, said the department's special criminal intelligence unit has been called in on the case, which is being classified as a hate crime.

Walters said a preliminary investigation points toward a "stand-alone incident" aimed at the newspaper and not part of a broader series.

"It seems very focused . . . if in fact it is even a KKK group," he said. "At this point, we don't even know that for sure."

that monitors hate crimes said that similar letters were sent last month to a racially mixed couple in Lemon Grove and that graffiti spray-painted on an elementary school had KKK markings along with those of street gangs.

"There are some people doing some ugly things and calling themselves 'the exalted cyclops,'" said Clara Harris, director of the Heartland Human Relations Association. "At this point, your guess is as good as mine whether there is actually a group of KKK."

"I could be wrong, but there seems to be a concerted effort to convince the community that there is a den of KKK in Lemon Grove."

The *Lemon Grove Review* detailed the threats and violence in a front-page story Thursday, offering a \$1,000 reward for information leading to arrests and convictions.

"The *Review* will not be terrorized into publishing hate messages of this cowardly group," the newspaper said.

Kaufman said the letters railed against everything from junior high school dances and pornography to blacks and undocumented immigrants — designated in pejorative terms — and Jews.

A threat to publisher Kaufman said that a tribunal had found him guilty as an enemy and that "out of a warm, rainy night ride the soldiers of the fiery cross . . . under contract from our father to destroy his unbelievers."

Morris Casuto, director of the San Diego chapter of the Anti-Defamation League of B'nai B'rith, said he has spoken with Kaufman and sheriff's investiga-

tors and remains uncertain whether the perpetrators are affiliated with the Ku Klux Klan.

"It would appear we may be dealing with a very small group of people, if it's even a group," Casuto said. "If it is a budding chapter of the KKK and they continue in the vein they have started — in terms of harassment, intimidation and property damage — they're going to have a brief history, indeed."

"They should learn from the experience of other individuals who have violated the law in San Diego County. . . . If they're caught, they're going to do jail time."

Harris, of the Heartland Human Relations Association, has met with the publisher and authorities investigating the case. She said she is disturbed by what appears to be a new flurry of racism spreading throughout the county.

"I think there's just a little ragtag bunch here and there," she said, "but combined with the neo-Nazi movement they seem to be making a splash, and that concerns me."

### Paper May Be Target of KKK Threats

Sheriff's deputies were investigating whether alleged threats against the Lemon Grove Review were made by white supremacists forming a local chapter of the Ku Klux Klan.

The 2,000-circulation weekly newspaper has received five threatening letters since August from a group purporting to represent the Klan's militant "fiery order of the invincible empire," publisher Pete Kaufman said Tuesday.

The first letter, dated Aug. 30, asked the newspaper to provide a forum for a budding KKK chapter, Kaufman said. After the newspaper declined to publish letters from the group, an office building vacated 10 months ago by the newspaper was vandalized, authorities said.

A rock with a note was thrown through a window and KKK markings were sprayed on an outer wall on Oct. 30, authorities said.

Sgt. Doug Walters said the case was being classified as a hate crime, although investigators still were unsure whether the threats were made by actual KKK members.

The Review detailed the threats in a front-page story last Thursday, offering a \$1,000 reward for information leading to arrests and convictions.

Synopsis: San Diego Sheriff's Office advised no subjects have been identified by California State fingerprint examinations conducted on KKK communications. Pacific Bell telephone traps installed at LEMON GROVE REVIEW newspaper, and LEMON GROVE MIDDLE SCHOOL.

-P-

The following investigation was conducted by Special Agent (SA) [redacted] on February 3, 1993, in Lemon Grove, California:

Detective [redacted] advised that she has submitted approximately 20 documents to the California Criminal Scientific Laboratory in Riverside, California, in attempts to obtain fingerprint identification of subjects involved in this case. [redacted] advised the documents were received from the LEMON GROVE REVIEW, and the LEMON GROVE MIDDLE SCHOOL, who had received the letters from unknown subject(s). As of February 3, 1993, none of the prints found were identifiable with anyone in the California system. SA [redacted] advised [redacted] he would send the documents to the Federal Bureau of Investigation (FBI) Laboratory in Washington, D.C., for analysis. [redacted] advised she would provide the documents when she received them back from the California Laboratory.

b6  
b7c

[redacted] further advised that at her request, Pacific Bell of California has placed two telephone traps at the newspaper LEMON GROVE REVIEW and the LEMON GROVE MIDDLE SCHOOL. [redacted] noted that both locations had previously received phone calls from an unidentified male who had advised he was with the KKK. As of February 3, 1993, however, no additional phone calls had been received at either location.

Two slogans of graffiti have appeared in Lemon Grove since December, 1992. On an adult bookstore in Spring Valley, California, a slogan was sprayed "KKK says no to porn," and several swastikas were sprayed with spray paint at the K-Mart Store on Sweetwater Road in Spring Valley. No suspects have been identified or arrested. [redacted] advised the investigation is currently in an inactive status at the San Diego Sheriff's Office, because there has been no activity since December, 1992, and no suspects have been developed.

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 6/8/93

[redacted] and [redacted] both of the "San Diego Jewish Times", were contacted by SA [redacted] Federal Bureau of Investigation (FBI), at their place of business, [redacted] El Cajon, California. After explaining the reason for contact and the nature of the investigation, the two provided the following information.

b6  
b7C

[redacted] indicated that he was aware of the identity of [redacted] as the alleged individual responsible for the racist and threatening letters sent to his office and that of [redacted] of the Anti-Defamation League (ADL).

[redacted] stated that this incident where they received the three letters was the first such acts of hate they have experienced in several years. She stated that the office had last been the target of vandalism or harassing telephone calls two or three years ago.

They stated that they did not have a copy of the first letter which they received in December 1992. After some thought, the newspaper decided to print the letter in their publication along with an article in their December 31, 1992 edition.

They had turned the original of this letter over to [redacted] of El Cajon Police Department, telephone number [redacted] within days of receiving it in the mail. They were able to provide a photocopy of the second and third letters that followed.

[redacted] advised that they did not print the second letter in their newspaper. This appeared to disappoint the author because they then received a third letter which expressed dismay that the second letter was not printed.

b6  
b7C

[redacted] stated that the second letter was not dated but that he seemed to recall having received it during mid-February 1993.

Investigation on June 7, 1993 at El Cajon, California File # 44A-SD-51739 -18  
by SA [redacted] FBI/ SBT:sbt - 1 - Date dictated June 8, 1993

Continuation of FD-302 of [redacted], of June 7, 1993, Page 2\*

[redacted] advised that the reason that the "Lemon Grove Review" had also been targeted for the same type of harassment might have been the fact that [redacted]

[redacted] He also opined that casual talk around the house concerning the harassing letters might have allowed [redacted] to monitor the activities of the police and victims in this matter.

[redacted] advised that their circulation of 17,000 copies is only delivered through the mail. Although it is not sold on newsstands, he stated that it can be found in the local public libraries. On June 7, 1993, [redacted] both of the "San Diego Jewish Times", provided the attached concerning the three racist hate letters they received between December 1992 and April 1993, at their office located at 2592 Fletcher Parkway, El Cajon, California.

They stated that they did not have a copy of the first letter (which was received in December 1992); which after some thought, they decided to print in their December 31, 1992 edition along with an article (a photocopy of this article is attached). They had turned the original of this letter over to [redacted] of El Cajon Police Department, telephone number [redacted] within days of receiving it in the mail.

They provided the attached photocopies of the second and third letters as well as a photocopy of another article they published in their December 3, 1993 edition.

[redacted] stated that the second letter was not dated but that he seemed to recall having received it during mid-February 1993.

The third letter was received on April 7, 1993.

# Ku Klux Klan(?) Targets "Lemon Grove Review"

Rose Moore

The *Lemon Grove Review*, a weekly community newspaper, has come under verbal attack and threat of destruction by the self-proclaimed Ku Klux Klan of Lemon Grove. A series of increasingly threatening mail, including a bogus letter from a "friend at Beth Jacob," was followed by a letter-bound rock-throwing incident. The tone of the messages has clearly been racist and anti-Semitic.

On September 1, publisher Pete Kaufman received a letter from the "Ku Klux Klan of Lemon Grove" requesting publication of an open letter to the community. In it, the group denounced integration and interracial relationships. Although signed "Exalted Cyclops, Lemon Grove KKK Klavern," law enforcement officials believe the letter is the work of one or, at most, a few individuals.

When the *Lemon Grove Review* chose not to print the letter, the paper received a postcard that complained that the KKK hate letter had been ignored. "It would be in your best interest to show all arguments and grievances [sic]... Also you should have been harder on the Jew owner, Wiener, of Video Exchange." The *Review* recently ran an article about the marketing of pornographic videos by local video stores. The owner of Video Exchange is named Wiener.

Five days later still another letter arrived, this one allegedly from a member of Beth Jacob Congregation. Kaufman notes that "it was obviously a fake," it erroneously surmises that he is Jewish. Its amateurish attempts to be deceitful, and its poor grammar marked it as bogus. Signed by "Your Friend at Beth Jacob," it read in part:

We have been receiving distressing letters and phone calls from a hate group referring to itself as the Lemon Grove Klu [sic] Klux Klan.... They say that the Lemon Grove Review is a Jewish newspaper and something regarding you being anti-free speech.... I myself am in charge of these matters as I'm Beth Jacob's representative for the Anti-Defamation League. That is the reason I must be unanimous [sic]... We find it is best to appease these kinds of people. Please don't contact us, as already many of our people have been hurt by it.

This letter wasn't published, either. The correspondent appeared frustrated in the next letter, one which seemed to conjecture that the previous letters weren't published for lack of a signature, and so provided one.

I'm a Ghoul member of the KKK. I was picked to write this letter by order of our Exalted Cyclops. On Friday night at our Klavern we discussed options about your paper's refusal to publish our letter. I myself was present when the letter was written so I can be credited as the writer.... By the way E.C. tells me this is the last friendly letter you will receive.

Eugene Storck

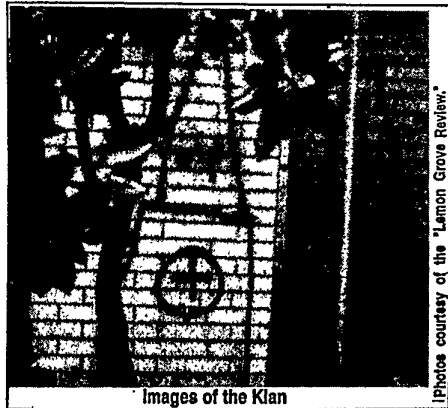

The signer isn't in the phone book, nor was the Sheriff's Department successful in the check it ran on the name. In order to protect himself from arrest for acts of violence, the writer apparently used a phony name.

On October 30, a rock with a note attached shattered the glass window of what was erroneously thought to be the *Lemon Grove Review's* offices. The offices were also vandalized with KKK graffiti.

This letter, being dictated to the Klan Kligrapp... is to be delivered immediately by Night Hawk Second Class... Air Mail, attached to a rock and through window.

Attn: Knave responsible for the Lemon Grove Rag-view, from weekly congregation of Lemon Grove Ku Klux Klavern of the Invisible Empire.

...The Lemon Grove Review has long hidden under it's [sic] cloak of Kosherness.... We have come to the conclusion that you are not one of us.... You were on our neutral list, now you rank among Jew-owned Video Exchange and Queer Nation.... We hold you responsible for: miscegenation promoting dances at Junior Highs, the meager response to Gays, Gangs, Pornography, Drinking, Niggers, Wetbacks, Jews, Mongolians, Institutional Secularism, Jungle resembling Schools, and the Bastardization of our white populace. The sentence wrought on you.... Guilty on all counts for your neg liegence [sic] and downplayment [sic] of the issues, thereby increasing the accepted insolence [sic] against [sic] our Bible and Constitution, not to mention your lack of publishing important letters to Lemon Grove. The sentence is [sic] DESTRUCTION!!!!!!!.

more likely an individual, is operating in the area and calling itself a KKK," Casuto noted.

"When someone contacts us, they become our client," Casuto continued. "The primary interest we have is for the safety and security of the individual. Secondary is the apprehension, or at least the identification, of the individuals or individual who is making this type of threat."

### Reacting to Hate Crimes

The ADL generally works with the local branch of the San Diego County Sheriff's Department or the San Diego Police Department and any intelligence unit for the area. Although the ADL presently is not aware of anyone who knows of a group, other than this one, that is calling itself the Lemon Grove KKK, there was a small KKK group in that area several years ago. Asked what could have made the group resurface or what could have sparked the formation of a new group, Casuto said, "There are times when rational people try to understand irrational people. We don't know of any Klan group functioning in San Diego today. If anything, it's probably very small. My initial sense is that it is no more than a few individuals who are friends."

"Let me give those who may read this story a piece of advice," Casuto said. "San Diego County is not a hospitable climate for those who wish to foster hatred or fear."

This is not the first time a violent and destructive hate crime has shattered San Diego. The offices of the *Jewish Times* were fire bombed twice by unknown criminals. At various times churches and synagogues have been desecrated, including Beth Jacob Congregation, Tifereth Israel Synagogue and, most recently, Temple Emanu-El. The representatives of San Diego Sheriff's Department, the El Cajon and San Diego Police Department, and Federal law enforcement have expressed determination to do all in their power to apprehend hate criminals who would disrupt our community.

The *Lemon Grove Review* is offering a \$1,000 reward for information leading to the arrest and conviction on hate-crime charges of those responsible for the attacks, as is the *San Diego Jewish Times*.

Two weeks ago, the *Review* ran a story about a play, *The Convertible Girl*, that was opening at the Lamplighters Theater in La Mesa. The play deals with a Jew who is involved in an interfaith relationship. A harassing call to the box office was suspected to have come from the same group. The caller complained that the *Review* ran a story about the play, but would not run a letter from the KKK.

The Lamplighters' Board Members kept watch during and after the show but, later that night, an unknown arsonist burned a notice about the show on a bulletin board behind the theater. Someone also apparently tried to force their way into the building.

### Not a Prank

As much as the letters disgusted Pete Kaufman, he thought at first that they were just a prank. After the rock-throwing incident, Kaufman became increasingly concerned and contacted Gary Rosenberg, publisher of the *San Diego Jewish Times*. The two have known each other for several years, and Kaufman knew of previous attacks on the *Times*. The two discussed a variety of strategies, and Rosenberg referred Kaufman to Morris Casuto, director of the Anti-Defamation League, who discussed the steps that the ADL takes when such cases arise.

"The first thing the ADL recommends," Casuto told us, "is that no one take these incidents lightly. You never know what type of individual or individuals you're dealing with. The very fact that there already has been violence against the location that the individuals thought was the *Lemon Grove Review* is an indication that violence is never far removed from the ideological makeup of people like this."

The ADL makes sure that the police have been contacted and that a report, indicating that this was a hate crime, has been filed. "In this case, we made sure that the Special Intelligence Unit was apprised of the fact that a group, or

Dear

The enclosed article is an open letter to follow up the prior one. The first one was written very hurried and didn't really concern the more important issues that the LG KKK is dealing with. This one is of utmost importance due to it's raising the problem of dances at Lemon Grove Middle School.

Also there is explained the Highland Fling's not printing our letter. You may want to call that school as the front page expose that they did on us had a very obvious influence of the SDJT. Much of the wording was verbatim from your publication.

You can use our letter in any way that suits you. You may need to explain who George Lincoln Rockwell was and what ZOG means. I realize that you may not want to constantly print our letters so this will be the last one until another important issue arises especially if it is in regards to Judaism. We are probably fortunate that SD has a Jewish paper, through which we can reach the Jewish community. You may note that we are possibly in the minority of white racist groups which don't hold the entire Jewish or Semitic race as treasonous. Whether or not we have comprehended the full extent of Jewish power and hidden influence, we still believe in racial separation to the extreme, which when accomplished will rid the theory or fact of Jewish conspiracy, since there will only be ourselves to blame. For the most part, we work from experience, and although most Jews are miscegenationists, many I speak to are for segregation as much as I am. We read your paper every two weeks and if you would ever in the future desire to hear our opinion on any subject, just ask for it. (Holocaust for example). We give you the right to print any letter we have ever written anywhere. Hope to continue in this friendly manner. Shalom.

b6  
b7c

Sincerely,

P.S. If you write an article on us, feel free to criticize us vehemently, we know it's your job and we won't prosecute your paper or any individual for it.

KU KLUX KLAN OF

LEMON GROVE

Dear Jews,

Recently, the Ku Klux Klan of Lemon Grove sent a letter spoken to the youth of Helix High. A front page article chronicled our exploits, but the editor of the Highland Fling felt the Judaic account was publicly sufficient. We disagree!

To boot, on the Jewish front, [redacted] mastermind of the A.D.L. of Jewish Supremacy (Cipher of B'nai B'rith), has the honor of being the 21st subject compiling a poster adorning the wall of our Northern Klavern. The list is captioned, "Traitors and Sub-humans To Be Shot on Sight". [redacted] has amazing control of the "Special Intelligence Unit", a branch of the top-secret international Mossad. He, other Jewish terrorists, and Italians who are Vatican agents, are deemed acceptable for execution. The Lemon Grove KKK believes that any time the Devil manifests itself in a dark, bow-legged corpulent humanoid form, nothing short of death is inescapable. [redacted] gave the figure as 80%, and we shall see how close he came.

b6  
b7c

Priority of the KKK of Lemon Grove has swerved to the knotty point of junior-high dances. It is presently the policy of ZOG, to corral ten to thirteen year-olds, in a racially hybridized company and set free their bodies, or "temples" as God taught us, to sway and intertwine. White Jewish and Gentile girls can be seen distorting and twisting themselves into unnatural positions. All for what? Accomodation. Of a belief held by Anti-Christian school boards that the White races, ie, Nordic, Jewish, Alpine, etc., are equal to the nigger savage, brown mongrel greaser, and further subaltern mud.

These politicians are egaliterians by trade. Democracy see's all men as equaling one vote, from the longest-headed Nordic to the lowliest and blackest quashee. Dancing, in of itself should be outlawed, along with liquor, drugs, and pornography. These things are frivolous and

serve only hedonistic purposes, or that of individualistic, pleasure-seeking anti-socials. They don't promote good will, the good of the race or serve our dear God in Heaven in any manner. We call for an end to all forms of birth control, fornication, and illegitimacy, by brute force.

The Lemon Grove Ku Klux Klan requests that Jews inform school boards and middle schools, by post or phone, of your displeasure. I have here before me tonight five men who will die before they allow Lemon Grove Jr. High to embark on another race-mixing racket. We promise the severest retribution will be inflicted upon those responsible.

Hail Jesus Christ!!

Dear Friends [redacted],

This is a letter from only the [redacted] and the Kligrapp. Our group was disappointed to see you refused to use our letter of February 9, 93. I think it made our opinions clear and would be of great interest to San Diego's Jewish community. I like to think of us on friendly terms. Save for one exception, no one in my Klan has ever physically assaulted a Jew and even he realizes nothing was accomplished by it. My point is, from [redacted] to Jewish paper Editor, personally I tell you that keeping the lines of communication open is the best policy. Otherwise, what other avenue is there for a "subversive" group as ours?

We haven't the foggiest idea concerning how many other people or groups (if any) review material that is permitted for your printing. Most effects of your printing it should be beneficial. Mainly, your paper is read by Jews and a few Klansmen, all these people our letter concerns. To Jews it helps your cohesiveness. The information relating to our poster can only help more donations to come in to the ADL. Also to Jews, I'm sure you get out in the mainstream and see that the majority of your people are for Jewish self-determination.

b6  
b7c

It might be worth while to note that the LG KKK is one of the few, if only Aryan racial organizations which don't see each and every Jew as part of a conspiracy, but only a number at the top. I'll conclude by saying that we only wish to keep our mutual understanding. If anything said in the letter is definitely legally unwise to print, feel free to delete it. Furthermore, any harsh commentary railing us will not be held against anyone, we understand (theres that word again) that you must due to the fact that the vast majority of your readers are very anti-Klan. We look forward to the next issue.

For Christ and Country,

SYNOPSIS:

Eleven crime reports were filed with the Lemon Grove Sheriff's Station and the La Mesa Police Department reference threatening letters, vandalism and telephone death threats. Each letter that has been left was signed by a party claiming to be from the "Lemon Grove Klu Klux Klan." Several burglaries to Helix High School have also been linked to the parties claiming to be the Lemon Grove Klu Klux Klan. During the course of my investigation [redacted] became a suspect. [redacted] was interviewed and admitted to being involved in the writing and composing of all the letters that will be submitted with this investigation.

[redacted] admits to being the self appointed [redacted] of this group and stated that he instructed his "Night Hawks" to execute burglaries and vandalize property.

FOLLOW-UP INVESTIGATION:

1. On 08-27-92, Mr. [redacted] received a letter that was attached to his front gate. [redacted] is an African-American and his children are of mixed races. The letter warned the [redacted] to be careful that their children did not date "white girls" or it would result in "repercussions" from the Klan. This case was written as a 422.6 P.C. and I am requesting the District Attorney review this case for prosecution. See Case #92062272-L)

2. On 10-31-92, A rock was thrown through the window of the Lemon Grove Review Newspaper. The building is actually an attorney's office, that is used for all correspondence that is mailed to the paper. The rock had a note attached stating it was from the Lemon Grove Klu Klux Klan. The writer was angry with [redacted] for refusing to print articles and advertisements suggested by their group. In addition to the broken

window, the building had been spray painted with a hooded klansman, cross and three large letter "K's". This case is being submitted for prosecution of Vandalism charges (See case #92078510-L).

The Lemon Grove Review also received several other letters, which were signed by the "[redacted]" and "[redacted]". One letter was sent to the Lemon Grove Review from a "Beth Jacob" member, urging [redacted] to print the letter, stating that if he did, the whole situation would eventually die down. I contacted Beth Jacob and they stated that they would never advise anyone to print that type of letter. The writing in this letter appeared to be similar to the writing from the letters of Eugene Storck.

A local computer check was run on the name [redacted] and I found no information on this individual. Local utilities services were checked and none of the local services showed service for this person.

3. On 11-07-92, the Lamplighter Theatre in La Mesa, received two threatening phone calls reference the play "Convertible Girl". The play was about a female that converts from the Catholic faith to the Jewish faith. The caller made several anti-Jewish remarks to [redacted]

[redacted] The report was written as a 422.6 P.C. case, but 653m P.C. applies. This case is being submitted for prosecution of 653m P.C. charges and for review for possible hate crime charges. (See Case #9207630 LMPD)

5. On 11-20-92, the Lamplighter Theatre was again vandalized. Four photographs of the actors in the play, were posted on the lobby wall. The photographs were defaced with a black marker and the letters "KKK." This case is being submitted for prosecution of the above listed charge. I am requesting that hate crime charges be considered for this case. (See Case #9207985-L).

6. Over the weekend of 11-27-92 to 11-30-92, Helix High School was burglarized. The classroom was spray painted on all the walls and movie screen, with slogans claiming to be from the "KKK." Money was taken from the teachers desk totalling about \$75.00 in cash. Statements were written on the walls thanking the teacher, Mrs. [redacted] for her contribution to the Klan. Works Departments. There was a typewritten letter attached that stated there were several letters that needed to be sent to eight families. The secretary opened the sealed letters after confirming that no one from the Public Works Department had sent letters. She found eight letters addressed to various student's parents, advising the parents, that their white daughters were dating boys that were not of a white race. The letters stated that if the parents took care of the problem, they would not hear from the "Klan" again. These letters were intercepted and the families were not notified (See case #92-08565 LMPD).

9. On 12-18-92, [redacted] Lemon Grove Middle School, spoke with an individual who claimed to be a member of the Klu Klux Klan. This person had called three times before, trying to obtain information on the school dances. Since there had been earlier threats to the school, they were very careful about giving out information. 11. On 04-07-93, Sgt. [ ] returned to his Sheriff's patrol unit which was parked in the Lemon Grove Station's parking lot. The patrol unit had been vandalized with black spray paint. A note was left under the windshield wiper addressed to "any policeman" and signed the [ ]. The letter stated that the Klan intended to carry through on their threats to harm students who might attend any dances at Lemon Grove Middle School. This case is being submitted for prosecution of vandalism charges (See case # 93-030917-L).

12. On about 05-07-93, I was notified by several patrol deputies that several families had received form letters from a group claiming to be the Lemon Grove Klu Klux Klan. The letters were the same as the letters that had been intercepted at Helix High School on 12-15-92. Mr. [ ] Mr. [ ] and Mr. [ ] all got letters reference their daughter's involvement with a non-white boy. These letters appeared to be a copied form that was made from an original. Over the last year, I have collected a number of letters that the Lemon Grove Klu Klux Klan has sent to different businesses or private parties.

13a. The San Diego Jewish Times, located in the City of El Cajon, has received three letters addressed to [redacted] of that paper. (See Attached letters).

13b. On 04-09-93, Home Depot in La Mesa received a letter reference the new Home Depot store being built in the City of Lemon Grove. The letter is signed the [redacted] and indicates that the Klan wants the hiring of Lemon Grove citizens to be free of racial quota's and that they do not want "unemployed wetbacks on the loose". If both of these demands were not met, then "all Hell will break loose". (See Letter addressed to Home depot)

b6  
b7c

13c. On 02-12-93, A post card was sent to the Lemon Grove Sheriff Station. Although the postcard was not signed, it depicted a black mule with the letters "KKK" on his body, and two people hanging from a tree. One of the people hanging from the tree has a bag with the letters "LGMS" (Lemon Grove Middle School) on it. The caption below the drawing reads, "Hang curs, hang \*\*\*\*\* Their complexion is perfect gallows. Stand fast, good fate, to their hanging. \*\*\*\*\* If they born to be hanged, our case is miserable." Above the drawing are the words "A prospective scene in the "city of Lemons".

13d. On 02-10-93, Lemon Grove City Councilman, [redacted] received a letter at a pastry shop that he frequents in Lemon Grove. This letter was signed the [redacted] and the purpose of this letter was to have Mr. [redacted] persuade [redacted] (Lemon Grove Review [redacted] to print some of the Klan articles. Mr. [redacted] writes a column for the Review and the writer thought that Mr. [redacted] might be more willing to print or discuss their views than Mr. [redacted] (see attached letter).

13e. On 01-15-93, I received several letters that were sent to the Helix High School Newspaper, The Highland Fling. One letter is addressed to the Helix youth and was a collection of Klan beliefs and Klan hatred. It is very specific in naming races and religions as the problems of the nation. The letter closes by trying to solicit new members into the Klan. The other letter was addressed to [redacted] and asked that the paper print the above described letter. (see attached letters with LMPD case #93-00325)...

FOLLOW-UP INVESTIGATION:

During the course of this investigation, every letter that had been received from the group claiming to be the Klu Klux Klan, was sent to our Sheriff's Crime Lab for fingerprint analysis. Each time, some latent fingerprints were developed, but there was no CAL-ID match. A group of fingerprints were sent to the FBI Lab, to determine if the writer had been arrested in another state. Those results have not been returned.

In the middle of February, [redacted] became a suspect in this case, when two of his teachers compared student lists and [redacted] appeared on both lists. [redacted] had been overheard by one of the teachers voicing his views that the Holocaust had not occurred and that it was propaganda created by the Jewish people to gain power over other races.

In March, we attempted to obtain handwriting exemplars of [redacted] work, but no work had been handed in that was not typed.

On 04-05-93, Helix High School provided the La Mesa Police Department with a handwritten document for us to use as comparison. A handwritten essay paper from [redacted] was submitted the Sheriff's Crime Lab for comparison.

On 04-22-93, [ ] examined the documents for comparison. The exemplars examined, could not be identified nor eliminated as having been made by the writer [ ] The Sheriff's Lab requested additional comparison material for a positive comparison.

During the course of this investigation, I have been working with Detective [ ] from the Sheriff's Intelligence Unit. Detective [ ] and I went to [ ] home on 05-13-93 at about 1400 hours. [ ] was home, but neither of his parents were. We identified ourselves and told [ ] that we had come to talk to him about some of the KKK activity at Helix High School. [ ] invited us into the house and we all sat at the kitchen table.

b6

Detective [ ] and I began to discuss the burglaries that had been occurring at Helix High School.

SUSPECT'S STATEMENT:

[ ] told us that he knew several individuals that were in the Klu Klux Klan and that he has been in the room when "they" composed the letters. [ ] stated that he believes in the Klan's teachings; but he is not a card carrying member. [ ] initially stated that his involvement with this group was as an observer. [ ] refused to give us any names of individuals involved or where the location was when any of the letters were written.

We showed [ ] a copy of his school report and then showed him a copy of a letter handwritten by the Klu Klux Klan. We pointed out the similarities in the handwriting. [ ] then said that he did write some of the letters, but that "they" told him what to write. We began to go through each letter and asked if he was present when those letters were written. involved than he had initially told us. [ ] told us that he owned a typewriter and that he often let his "friend" borrow it. We inquired if the typewriter had a red ribbon that would have been used in many of the typewritten letters that some victims had received. [ ] said "yes".

[ ] said that he had his own typewriter in his room.

Throughout our interview, [ ] was evasive when it came to giving us any other names of people involved in the Klan activity. We discussed the Klan philosophy and after about an hour, [ ] mother came home.

We explained to Mrs. [ ] about her son's involvement with the Klu Klux Klan. Mrs. [ ] said that her son spends most of his time alone and that he never has friends over to the house. Mrs. [ ] said that she knows her son had "strong" views on racism and that it is his hobby to research both sides of the racism issue. Dear Review,

We just could'nt disappoint you by not sending our condolences for hurting your feelings and filling you with so much hate. While some of our actions were taken out of context and you choose some pretty subjective wording in your article, you seem like you're just another member of the misled bourgeois attempting to be politically correct.

Ever since history began, minorities, who are so for any reason, have been suppressed. I understand that pure Nordic, Protestant, Klansmen are a definite minority. Since we are, you can dump on us at will. Fortunately for us we have the ability to strike back. When it does happen you will find yourself to be quite fragile. Because of our will, we are a thousand times more powerful than your paper or any police force.

So, Mr. [redacted], you think our Nighthawks head is worth \$1000. No amount of your "jewsript" can lead to our betrayal. You might have included in your declaration of your reward, that your informant's greed, will only lead to their suffering.

Up until now we had'nt realized the LG Rev was so well versed in Judaized journalism. To set things straight on two points, we did'nt in any way threaten that nice girl at Lamplighters. #2, you certainly did'nt have to "terrorized" into printing the open letters of those kikes who were all worked up over the thought of Christians getting on the School Board, did you? You worked out well your plan between you, the solitary incumbants, and the status quo race-mixers. These three lack the responsibilities to sustain a civilization.

Forever shall the Ku Klux Klan rally against their preversions, It goes far beyond some local paper representing only one-sided views. This nation is due for another American Revolution, this corroded government and it's sheeple constituents are no match for God-fearing Saxons, with fire in their hearts. You represent the woman who sits on the scarlet beast, your paper is the blasphemous names it spews, and your mentality swirls in the cup of her aboninations and impuritites of her fornication. Therefore you cannot endure, so repent and mend your ways. After you and America's powers understand this, we will create an Aryan utopia devoid of undesireables: Non-Europeans, Jews, Catholics, Pacifists, Communists, Faggots, Italians, and other perverts.

Whatever it takes to build these pillars will resume, the end justifies the means. An uncompromising Ku Klux Klan is the means, who will have to be stern and ruthless.

We will continue our close watch of your paper. It is a staple of information to the community-minded Lemon Grovian and we would only wish for an enlargement of objectivness.

The above is the agreed response of the Lemon Grove Klavern, convened every Friday at the Southern Den on November 13th, in the year of our Lord, 1992.

Regards, those "kooky", "misguided", "heinous" individuals of the Lemon Grove KKK.

Lemon Grove Knights of the Ku Klux Klan  
Lemon Grove California

Dear Fav Paper of KKK,

this is a letter to clear up two misconceptions on your part. The first one deals with how you and a few other papers believe we are part of a larger, better established Klan. It is true in our first "open letter" we claimed to be a Klavern of the Invisible Empire. To put it bluntly we just thought it sounded neat-o. We are in no way an officially recognized Klavern of that organization, nor do we want to be. Our group considers them to be far too compromising. Our protocols prohibits practicing Catholics and all Italians, Greeks, and other almost white Latins. By the way it happens to be that there is even one other Klavern in Lemon Grove, which is sanctioned by the conglomerate KKK's. We will be far more effective I realize since our people are more dedicated.

The second point I want to clear up is the identity of [redacted] He is one of of Ghouls, or common members, although recently he was promoted to Klavern Klokard. He is probably the poorest white man in Lemon Grove. He's looking for a job, since a greaser's got his old one. Under normal circumstances a man would go wacko in his condition. Fortunately, he is a good Christian. He does not have a telephone or a checking account, which is the primary reason we have let his name go public. He wants to let you and the police department <sup>know</sup> that he has 'nt done anything illegal since he's been in KKK, except for a little thought crime. All "missions" are perpetuated by trained Night Hawks of whom we have two.

# KKK threatens to destroy the

The *Lemon Grove Review* is under attack by a person or small group which refers to itself as the KKK of Lemon Grove. It began in early September, when the *Review* received a letter from the "Exalted Cyclops," the title used by the head of a local KKK chapter or "klavern." It seems that the Klan wished to "form a loose association" with the *Review* to publish their hateful messages.

The *Review* ignored the first letter as the work of some "KK Kook," but more followed, criticizing us for being too soft against pornography and all minorities. Efforts made to convince us to publish the first letter included a fake letter from the Beth Jacob Synagogue telling us to appease this group before they do more harm and submitting the name of Eugene Storck as the writer of the letter, since they had noted our policy that all letters must be signed.

The letter from "Storck," a name we could not verify in the phone book, stated that this "was the last friendly letter" that we would be receiving.

About a week later, under the cloak of darkness, a rock was

thrown through the plate glass window of the law offices of Barwick, Rutherford & Scott at 3434 Grove Street, where the *Review* had maintained an office until about 10 months ago. Along with the rock came Klan graffiti on the building and an edict stating that the Klan had found the *Review* guilty of not printing its letter to the community of Lemon Grove and other charges, and condemning the *Review* to "destruction."

Other instances which probably involved this same small group of misguided individuals include hate messages left on former mayor Jim Dorman's answering machine last spring and recent threats to Lamplighters Theatre in La Mesa for staging a play about marriage between a Jew and a Gentile.

The *Review* will not be terrorized into publishing the hate messages of this cowardly group. We urge all community members to report any similar activities, and we are offering a \$1,000 reward for information leading to the arrest and conviction on hate crime charges of these heinous individuals.

## Curfew sweeps attempt to curtail graffiti, crime

by Lindy Magner

After 11 p.m. last Friday night, about six Sheriff's Department patrol cars began looping through the Lemon Grove-Spring Valley area, looking for juveniles violating the 10 p.m. curfew.

According to Sgt. Gloria Rundle of the Sheriff's Juvenile intervention/investigations unit, this curfew sweep was requested by the recently-formed Lemon Grove graffiti task force, and will be repeated again before the end of the month. The sweep netted 12 youths who were taken to the Lemon Grove substation for pick-up by their parents.

"We do these from time to time throughout the county when we have the manpower," she said,

word-of-mouth," she said, explaining that violating a curfew is a "status offense" and will not result in a Juvenile Hall sentence.

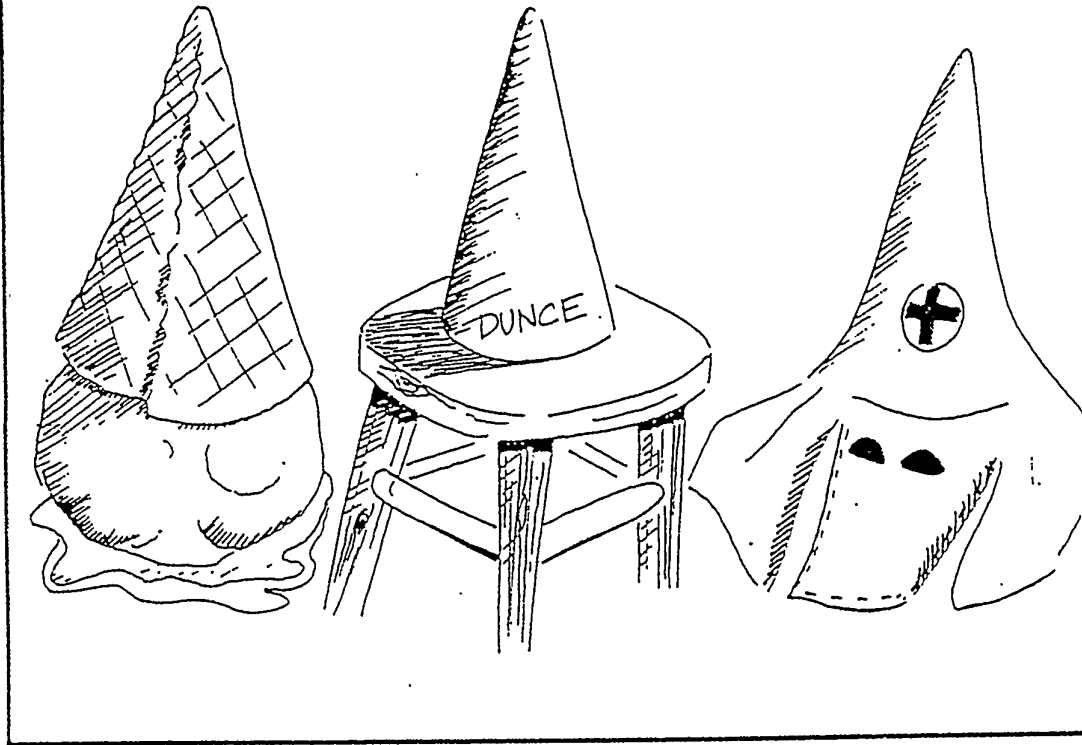

For a first-time offender, a diversion contract agreeing to hours of community service is signed by the juvenile.

The second such offense is referred to Juvenile Court and can result in fines up to \$135, and required attendance of a "curfew education" class.

Curfew sweeps were one of a list of recommendations the Lemon Grove graffiti task force provided to the city as a way of combatting the vandalism businesses along Broadway have been suffering. According to Rundle, the Sheriff's Department decided to include Spring Valley Rancho

## Cones of Sadness

## From Where I Sit

by Frank Andrews

I learned the hard way not to volunteer for any duties in the Army. If I was told directly to do something, I would do it - but never again would I just offer my services.

One of the most dreaded duties in my Army Air Corp stretch was pulling K.P. (kitchen police). Your name was put on a roster and you would be called up about once a month before 4 a.m. After a couple of turns at that ordeal, I found out that you could buy a stand-in for \$10, so that's what I did. \$10 was a lot of money back then, but well worth it.

The mess sergeant was asking around for anyone who had some decorating experience. I figured that working with my father in the painting and decorating business would qualify me for the chore. Truthfully, I was looking for a soft job. I was selected to do the decorating task. It was to cut huge sheet cakes into exact same size squares. I did that tiresome task until my hand and arm gave out.

The next time I volunteered was for our squadron barbecue. I was stationed in Pampa, Texas, at the time and wanted to get away from the base for awhile. The big, burly mess sergeant chose me because of my smokehouse experience working with my dad.

I checked out one of those huge transport army

dress it and cut it up into nice sized roasts. We had all that beautiful choice grade meat packed in ice to keep until we could get the fire started.

Our first chore of the day was to dig a trench about 2 1/2 feet wide and about 30 feet long. The real hard part was the sergeant's orders to dig it at least 3 feet deep. After the strenuous work was done, we gathered mesquite wood from the surrounding area. With the help of some gasoline siphoned from the truck a roaring fire was started.

The iron pipe and chicken wire was strung over the pit. After adding more wood several times the fire left a thick bed of red hot coals. The roast-size steer meat was placed on the wire netting to tend until it was ready to eat come Sunday. In a short time, the meat was mopped with a sauce from the big garbage can that the sergeant had prepared the day before.

Our work was done save for turning and mopping the meat from time to time. My crew made camp a short distance from the pit and it was now party time as we just couldn't wait for the Sunday festivities to begin.

I knew the different cuts of meats from watching Dad prepare a steer, so I snatched a tenderloin and a sirloin from the fire for our little party. I replaced the

Christina, who is of the Catholic faith, decides to convert to the Jewish faith so she can marry her Jewish boyfriend, Ron. She is very determined and becomes more involved in Judaism than he is. Then enters his mother, who is not as stuffy and religious as Ron says she is. This is a hilarious comedy, one you will all enjoy.

Monique is one of the most unusual plays, a combination of mystery and terrifying suspense, with just a touch of supernatural. Monique and Fernand conspire together a most ingenious murder method -- absolutely foolproof and impossible to detect.

Unknown suspect(s) entered the bungalow classroom and stole money from the teacher's desk. The suspect(s) entered the classroom through an open window at the front of the classroom.

The suspect(s) wrote on the walls of the classroom with spray paint. The suspect(s) wrote racial statements about the Klu Klux Klan and left a sticker on the teacher's desk stating "The Klu Klux Klan is watching and we're not happy about what we see."

There were other statements about thanking the teacher for donating the money stolen in the robbery to the Klan. The teacher's name was used in the statement.

In all, four walls and a movie screen were written on by the suspect(s).

The staff had cleaned the classroom by the time of my arrival. [redacted] had taken photos of the vandalism and has the KKK sticker. [redacted] will be forwarding the pictures and the sticker to me at a later date.

During the same time frame, the video media center classroom door lock was pried apart with a crow bar type of tool. The door lock plate stopped the entry into the classroom.

I was not able to lift any latent prints from the classroom window or frame. There were no witnesses to the break in.

Case suspended pending additional suspect information.

ORIGIN: WHILE SORTING MY MAIL, WHILE AT WORK AND ON DUTY AS THE DETECTIVE SERGEANT OF THE LEMON GROVE SHERIFF'S STATION.

VICTIM STATEMENT: I SAW THE POST CARD ADDRESSED TO "DETECTIVE SGT. [REDACTED]". I NOTED THAT THE RETURN ADDRESS WAS THE "LEMON GROVE KKK." THE TEXT OF THE CARD WAS ESSENTIALLY A DISCLAIMER OF RESPONSIBILITY FOR A RECENTLY REPORTED SCHOOL VANDALISM AND A THREAT TO KILL ANYONE I MIGHT ASSIGN TO INFILTRATE THE SO CALLED "LEMON GROVE KKK."

b6  
b7c

AT THE TIME I RECEIVED THIS POST CARD, I DID NOT HAVE ANY EVIDENCE THE "LEMON GROVE KKK" WAS NOT WHAT IT WAS REPRESENTED TO BE. THAT IS, A VALID, FUNCTIONING UNIT OF THE KKK AND POSSESSING ALL THE CAPABILITIES THE ORGANIZATION HAS AT ITS DISPOSAL.

THIS THREAT WAS TAKEN SERIOUSLY AND, HAD I NEEDED TO USE AN INFILTRATION TECHNIQUE TO SOLVE THE CASE, I WOULD HAVE HAD TO BE TAKEN THE THREAT INTO ACCOUNT.

THE THREAT AGAINST THIS OFFICER, ADDED

On 12-14-92, Helix High School received a yellow envelope in the mail bag. The envelope was addressed to the high school. The sender was supposed to be from the planning department and public works center from Lemon Grove California.

Inside the envelope was a cover letter that was typed. The letter asked the secretary to pass out the sealed letters to the students. The letter was signed in the name of [redacted] There is no [redacted] at the public works center.

The sealed envelopes were hand written with the students name. There were a total of eight letters.

The school staff stopped the letters from being given to the students. The principle opened one of the letters and looked at the typed written letter inside.

The letter stated that the named student was dating a non white person. The letter had a multiple choice section on the different races. The race of the person that the named student was dating is circled in ink.

The letter stated that the parents should be aware of the daughters dating a minority person and that action should be taken. The letter went on to say that if the parents did not act on the "problem" then the KKK would. The letter was signed [redacted] At the top of the page, there was a case number assigned to each named student.

The following students were named in the letters:

Dear Mr.

Case No. 32

By now you've guessed that this is 'nt a school form. I'm the leader of the Lemon Grove Ku Klux Klan Youth Auxiliary. This letter concerns the fact that your daughter,  engages in behavior unbecoming of her. This is her relationship with certain people at school. Our Mount Miguel/ ~~Helix~~/ Lemon Grove Middle/ Grossmont/ Granite Hill/ La Presa/ Palm school representative has submitted your name for consideration. She convorts with and/ or dates one or more members of the ~~Negro~~/ Latino/ Jewish/ Italian/ Oriental race. I'm sure you are a concerned parent and will take the necessary actions to eradicate this dark problem.

If you are someone of the liberal persuasion who believes the doctrine and practice of racial purity is a bygone one, we may take the matter into our responsibility. All members of the KKK here in Lemon Grove have taken oaths to protect the sanctity of White Womanhood. We will do whatever is necessary to sublimate the spread of mongrelization of the Nordic Race. This letter is step #1 of our process to rid you of your problem. If I receive a "good behavior" report then this will be the last you will here of us.

ORIGIN: On 12-18-92 at 1557 hours, I arrived at 7866 Lincoln Street to investigate threatening telephone calls. Upon my arrival, I contacted the victim and a witness.

VICTIM'S STATEMENT: [REDACTED] said she [REDACTED] at Lemon Grove Middle School. She said that today between 1412 and 1435 hours, the office received 3 telephone calls from a male trying to obtain information about future school dances. All 3 calls were answered by [REDACTED]

[REDACTED] The caller hung up after short exchanges the first two calls. During the third call, [REDACTED] got on the phone and spoke to the suspect. The suspect implied that he was a member of the Klu Klux Klan and that they could "harm" her and "find" and "take care of" her. He continued to try and gain information about school dances and also tried to gain information about [REDACTED]. He hung up after a few minutes. [REDACTED] said she felt threatened by the suspect's words and felt that he may attempt to carry out his threats to harm her.

[REDACTED] said the suspect sounded about [REDACTED] years, was of average intelligence and spoke matter of factly. She desires prosecution.

WITNESS STATEMENT: [REDACTED] said essentially the same as [REDACTED] had. She said she prepared a typed record of the 3 calls from memory. She is willing to testify.

DEPUTY'S OBSERVATIONS AND ACTIONS: I collected [REDACTED] typed record. [REDACTED] said that it accurately reflected the conversation. I also collected a written statement prepared by the school [REDACTED]. He was not present while I was at the school. I placed the 2 statements into evidence at the Lemon Grove station.

"I want to know if you have any dances planned for the future."

May I have your name please.

hesitation

Why

We just want to know who we are giving information to.

Why

Could you hold just a minute please.

Hung up.

12/18/92 2:20

May I speak to  please

I don't have an employee by that name.

I just spoke to someone regarding a dance. I want to know if you have more dances planned in the near future?

May I ask your name?

Could you spell that last name for me please?

I'm sorry, I don't have the calendar right in front of me. Is there a number where I could get back with you?

Does that mean you are having a dance today?

If you'll hold, I'll get the Principal and she could give you more information.

Hung up.

2:35

I want to know if you're having a school dance tonight.

May I ask who is calling?

I gave you my name. I just thought I could entertain them or something at the next dance.

If you'll hold on, I'll get the Principal.

I've been holding enough. Is it Mrs. or Mr.

Every time she gets to the phone you have hung up.

Just tell me if you are having a dance tonight. All I have to do is drive by and find out. Just tell me.

Do you have a student in our school?

Yes.

What is the student's name?

uh, I forget. Laugh.

I'm in charge of dances and stuff and I am to report to our klavern meeting tonight. Southern den. I need to report to the  We really don't like dances. Why do you have dances anyway?

The Principal would be better able to give you that information.

All we did last time was leave you a message. Next time we'll have to take more drastic measures to get our message across. What is your name?

You should know my name. I answer the phone with it.

Most people like to cooperate with us so that other things don't happen to them. Just tell me whether or not you're having a dance tonight.

took the line.

Why are your underlings so jittery and uncooperative?

I want to know if you're having a dance tonight or in the near future.

I have to make a report to my klavern tonight on all the activities going on in the schools in the area.

When do you have your next dance planned?

We do not have a dance tonight we plan as we go along.

(He heard noise in the room) What are you doing tracing the call?

There's no way in God's earth we could trace the call.

Good.

You realize that an all white has less problems...

I don't believe in what you believe in. We teach students to get along together. There's nothing you can do ...

b6  
b7c

You're not even man enough to give me your real name and phone number. You have to do everything in a clandestine manner and I'm not going to be intimidated by you.

If I gave you my name and phone number San Diego Police would be all over my apartment.

How long have you been an administrator?

Three years here and 17 years all together. Are you threatening me? You can't do anything.

We'll find out what to do. We can do things that you can't even imagine and there are ways that you don't know about that we can harm you.

I'm not going to let you intimidate me because of your clandestine activities.

Oh, by the way,  what is the background of that name?

I'm not going to tell you.

That's ok. There are ways that we can find out. Is your name in the book?

That's alright. There are ways we can find and we can take care of you too.

[redacted] The things he was saying, I grabbed [redacted] to call the Sheriff. He realized I wasn't listening.

You're not listening to me are you?

A kid called my name. I'm standing in the middle of the office.

That's ok, never mind.

b6  
b7c

Hung up.

Re: K.K.K Member Calling... 12/18/92

[redacted] was speaking on the phone to a person who was requesting information about students and upcoming dances. She motioned to me to pick up the phone. I picked up the phone and heard a male voice. He sounded like a young [redacted] (white male).

He kept asking her what her name was. She stated that she had already told him her name was [redacted]. The caller began talking about the chances of having to report the school activities to his class. At which point I interjected that he was talking about a punk. He asked [redacted] "what was that?" I told him that it was a student in my office.

~~He~~ In the mean time, I called the sheriff's station. On an answering machine answered my call I hung up and dialed 911.

At this time Mrs. [redacted] was speaking with the caller. [redacted] then informed me Detective [redacted] the dispatcher suggested we contact him. I called Detective [redacted] and informed him that the [redacted] caller was [redacted] Jones. He said he was unable to get a trap trace on the phone quickly.

PERSON(S) INVOLVED: VICTIM SAN DIEGO SHERIFF'S DEPT.				SUSPECT (IF NAMED)			PROPERTY TAG NO. (S)		

Deputy's Obs & Actions: ON 4-6-93 at 2300 hrs I, Sergeant [redacted] parked and secured Sheriff's Patrol Unit #84 (1988 Crown Victoria) in the rear lot of the Lemon Grove Station. I returned to the vehicle on 4-7-93 at 1300 hrs and observed that the trunk and right side of the patrol vehicle had been marked with black paint. The pattern seemed consistent with spray can type markings.

The trunk had a circle with an "X" inside. The right side had the letters "K.K.K." painted on with a six pointed star inside a circle and crossed out.

There was a folded piece of white paper stuck under the windshield wiper, near the spotlight. The note was addressed to "Any Policeman" and signed by the [redacted] of the Lemon Grove KKK.

Photographs of the patrol vehicle were taken and submitted with this report.

A copy of the note is attached to this report. The original note has been placed in an envelope and will be forwarded with this report to the Lemon Grove Station. The note was handled with a plastic glove.

Dear Z.O.G. officer,

We have come to the conclusion that your outfit behaves contrary to God's law and Klan principles. The laws you swore to uphold only fatten the Jewish and Latin worms who bestride our Lemon Grove City Council. Furthermore serve this as a premonishment to your sodomic ruler, C of Police, Bob Burgreen. We make it known now, be it that the princess of San Diego law and order is to attempt to wander within the boundaries of Lemon Grove, we will issue a death warrent aimed at her. Also, keep Merino in El Cajon. As a final consideration, heed this, if you prefer to render safety upon the students of LGMS, then I, the [redacted] offer this counsel: Suspend all dances and other intimate business. Our Klokard, who you already know [redacted], has amassed a large stock of poison darts for the occasion. Sacrifice the children's shindig orgy NOW or be damn sure to provide a police escort for every man, woman, and youth who affiliate themselves with that ODIIOUS, DEPRAVED CRECHE!!!

On 02-26-93, at the direction of Lt. [REDACTED] I collected evidence for La Mesa case 93-00685. The evidence was collected from room number 40 at Helix High School, 7323 University Ave. in the City of La Mesa.

I took photographs of a shoe print that was left at the point of entry. I also took photos of a stapler, and a box that contained a stamp.

I lifted latent fingerprints from the stapler and the box with the stamp.

Lt. [redacted] *mm*  
02/26/93

On 02/26/93 I spoke to [redacted] at Helix High School about the break-in to classroom 40 on 01/31/93. Mrs. [redacted] is a social sciences teacher and teaches a variety of classes in room 40. The classroom and office contain a large quantity of reference material used in her instruction.

Mrs. [redacted] reported that several files containing "prejudice articles" were taken from one of the cabinets in the office. The articles in the files were in reference to the KLU KLUX KLAN (KKK). A record with a KKK song was also taken from the cabinet. The suspect went through Mrs. [redacted] drawer and took \$2.50. This case should be upgraded to a 459 PC because of the theft of property from the classroom.

b6  
b7c

Mrs. [redacted] showed me a copy of letter sent to a fellow teacher, Mrs. [redacted]. The letter makes reference to the files taken from Mrs. [redacted] classroom. The letterhead on the letter is "LEMON GROVE KLU KLUX KLAN" and is signed by the [redacted]. Letters with similar letterheads and signed by the [redacted] have been sent to Helix High School. Those letters were impounded and sent to the San Diego County Sheriff's Department Crime Lab for examination. It should be noted that Mrs. [redacted] class room was also buglarized and vandalized in December 1992, (CR# 92-08191) with references to the KKK written on the walls.

Mrs. [redacted] and Mrs. [redacted] compared the past two year's student rosters and identified several students who had been or currently in one of their classes. One student in particular was noteworthy, [redacted] was in Mrs. [redacted] English class last year, was in Mrs. [redacted] history class last year and is currently in Mrs. [redacted] government class. Earlier this year, several students approached Mrs. [redacted] and related a conversation they had with [redacted] had questioned the existence of the "Holocaust". Later during a class discussion in which the "Holocaust" was mentioned, [redacted] indicated that it was subject to question. Mrs. [redacted] said that in some of the reports that [redacted] has prepared for her class, [redacted] has made "white supremacist" references. The reports were returned to [redacted] and copies are not available. Mrs. [redacted] did provide a copy of a recent report submitted by [redacted] for a reference.

b6  
b7c

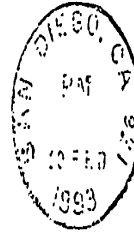

It is appears from the letter sent to Mrs. [redacted] that the burglary to Mrs. [redacted] class room was probably committed by someone wanting to take only the files. Specific knowledge of the files existence and location would be necessary. [redacted] had that knowledge as the materials had been used in the class taught by Mrs. [redacted] also lives in Lemon Grove, which has experienced break-ins and vandalism to classrooms at Lemon Grove Middle School.

A copy of this report will be forwarded to Detective [redacted] at the Lemon Grove Sheriff's Sub-station.

Investigation continuing.

LEMON GROVE

KU KLUX KLAN

Dear Mrs. [REDACTED]  
2855 Victoria,

We hear you are all up in arms due to our Nighthawk's mission. Originally, our Helix Youth Officer told us of a certain nauseating poster, but the Nighthawk was certainly content to find the \$ 275 in your drawers. Don't worry our Judeo-Latin school board will reimburse you with our taxes. The nighthawk also found interesting files in Mr./ Mrs. [REDACTED] backroom. I hope we 'do' interrupt any nigger-awareness teachings. Please note that he purposely left the VCR.

The purpose of this letter is for you to address your school's "Highland Fling". It's horrible journalistic policy to print a front page expose on a group of people and avoid any story they themselves have to tell. The LG KKK sent to them an outline of our true intention's. If they attempt a disassociation from this story now, things could get a lot hotter at Helix.

To conclude, we abhor any kind of dancing. If this is coupled with there being a mixture of the races, we figure execution as an acceptable means of punishment, to those responsible. Explain to the LG and LM School Boards that if these absurdities continue, we promise a tremendous disruption of life at Lemon Grove Middle School. This letter was dictated by the LG Klavern Inner Circle to the Kligrapp, this day the fourth of February, in the tear of our Lord, 1993.

Hail Christ!

Dear Mr.

Case No. 25

b6  
b7c

By now you've guessed that this is 'nt a school form. I'm the leader of the Lemon Grove Ku Klux Klan Youth Auxiliary. This letter concerns the fact that your daughter  engages in behavior unbecoming of her. This is her relationship with certain people at school. Our Mount Miguel/ (Helix) Lemon Grove Middle/ Grossmont/ Granite Hill/ La Presa/ Palm school representative has submitted your name for consideration. She convorts with and/ or dates one or more members of the Negro/ (Latino)? Jewish/ Italian/ Oriental race. I'm sure you are a concerned parent and will take the necessary actions to eradicate this dark problem.

If you are someone of the liberal persuasion who believes the doctrine and practice of racial purity is a bygone one, we may take the matter into our responsibility. All members of the KKK here in Lemon Grove have taken oaths to protect the sanctity of White Womanhood. We will do whatever is necessary to sublimate the spread of mongrelization of the Nordic Race. This letter is step #1 of our process to rid you of your problem. If I recieve a, "good behavior" report then this will be the last you will here of us.

Sincerly in Christ's Name,

Lemon Grove KKK

By now you've guessed that this is 'nt a school form. I'm the leader of the Lemon Grove Ku Klux Klan Youth Auxiliary. This letter concerns the fact that your daughter,  engages in behavior unbecoming of her. This is her relationship with certain people at school. Our Mount Miguel/ ~~Helix~~ Lemon Grove Middle/ Grossmont/ Granite Hill/ La Presa/ Palm school representative has submitted your name for consideration. She converts with and/ or dates one or more members of the ~~Negro~~ Latino/ Jewish/ Italian/ Oriental race. I'm sure you are a concerned parent and will take the necessary actions to eradicate this dark problem.

If you are someone of the liberal persuasion who believes the doctrine and practice of racial purity is a bygone one, we may take the matter into our responsibility. All members of the KKK here in Lemon Grove have taken oaths to protect the sanctity of White Womanhood. We will do whatever is necessary to sublimate the spread of mongrelization of the Nordic Race. This letter is step #1 of our process to rid you of your problem. If I receive a "good behavior" report then this will be the last you will here of us.

Sincerely in Christ's Name,

LETTER TO HOME DEPOT

0135

AD1

Dear Home Depot Representative, please send this letter to the agent responsible for the publicity of the Home Depot that is planned to be built in Lemon Grove.

Lemon Grove Ku Klux Klan  
Lemon Grove, Calif.  
April 9, 1993

Home Depot  
6611 University Ave  
San Diego, CA 92115

Attn: New L.G. H.D. publicity agent

Dear Sir,

It has come to our attention that there is to be erected a Home Depot in Lemon Grove off Broadway. The Ku Klux Klan in this town is of the opinion that it would be better if this is not to be. Two questions immediately arise, one being very important. Number One, the question of who will be given jobs in this establishment. Where they will live? and Of what race ("Affirmative action" or not)? We offer that the recruiting for jobs be of people from Lemon Grove, or at least primarily, and be completely free from any program of quotas. The second is of even more concern to the KKK. The Home Depot at 6611 University is surrounded, especially in the morning with Mexican illegal aliens or workers with "green cards". This is a grave concern to all of the Klansmen here and we cannot tolerate it. Many problems that I'm sure sure you can imagine could foster with unemployed Wetbacks on the loose.

Our advice to you is to create and instigate very tough rules against loitering outside and do all in your capacity to dissuade these Wetbacks from entering our Lemon Grove borders. Many other people in the community are of similar concern and what we propose you do is that when the new store is inaugurated, please make it known to all the press that this problem will not surface. If these reasonable requests are admired the Ku Klux Klan will do what we can to welcome the new store. If not, then all Hell will break loose. A letter much like this will be sent to the L.G. Chamber of Commerce, to our [redacted] who knows us well. We will also send you another letter, later, nearer the completion of the new Home Depot. Thank You for your cooperation.

Supreme White Power!

I do so very much enjoy your articles  
for the Review. This is an extremely informal letter for  
which I've not even consulted with the rest of the Inner  
Circle for. My reasoning for contacting you this way is  
because I want your eyes and no one else to see it. When  
others are included, people are persuaded to gang up on  
the LG KKK. My good friend, [redacted] persists in  
consulting various undercover jewish organizations before  
printing materials in his paper. If you were to approach  
him out of the blue my following idea or something near  
it could be reached. You and him could formulate a plan  
to create a reasonable picture of us, avoiding outside  
interference.

I respectfully ask you to use one  
of your articles to present a closely objective presentation  
of my association. It could be written in a manner near  
the below, shown on page two.

0140

## Proposed organization of KKK article(cont.)

- 1) Acknowledgment of our existance in Lemon Grove.  
Incl. short history.
- 2) Display of our views, ( Anti- Jewish, Catholic and Negro influence in America, Non-Nordic repatriation, and a plan of strictly enforced morals. Please research these and other areas).
- 3) Condemnation (or other) of LG KKK.  
Explain that you are not a member, that some of your best friends are... so and so...( What have you).
- 4) How to counter the KKK in the bounds of sanity.  
Allow our expressionism, say people should look at all sides with an open mind. ( Optional: Liberal press is overly hateful of unpopular thinkers.)

In appreciation for your objectiveness I will renounce our mission to destroy the LG Review. Already, I aborted a Night Hawk's task to ambush the carrier of the LG Review between the printer and the P.O.. We planned to halt circulation in this manner. We have also scraped all kidnapping efforts for the time being.

The only time I remember having a problem with you was when you <sup>wrote</sup> a very pro-Knights of Columbus piece. Otherwise you seem well suited to NOT become a hysterical anti-Klanite.

This community, as anyone with your intelligence can see, is desperately lacking a flow of opinions. Out-of-town Jewish and Italian lawyers see to it that all varying expressions go no farther than the naming of buildings. Secrecy has become compulsory to myself and comrades. We've seen extreme hypercriticism from the LG Review, SDJT, school papers, T.V. stations, and even the damnable Sheriff's Department. What these rascals don't realize is that we have a lot of varying support by members and sympathizers. I even know one or two of my members have wives who don't know that they are Lemon Grove Ku Kluxers.

Recently, the paper of Helix High printed a front page exposé of the LG KKK, very much like your paper. We sent a letter addressing "Helix Youth", but not a word of it was mentioned in the latest issue. You could contact them and retrieve it for your research. You, Sir, might explain to them that printing our youth letter would be in the best journalistic spirit.

In conclusion, the KKK have vowed to let all readers of all letters until finalized know that Lemon Grove Middle School will be a potential demolition zone until they abscond from conducting interracial youth dances there. We seem to be the <sup>only</sup> citizens concerned with the promoting of a future generation of Lemon Grove mongrel bastards. This has become the #1 priority of the Lemon Grove Ku Klux Klan. We are proceeding with affairs to put down this insolence unviolently; but those of culpability do deserve the extremist retribution imagination renders.

We at the KKK pre-endorse you for mayor of Lemon Grove in 1994. God bless you in all of your endeavours.

For White Christian America,

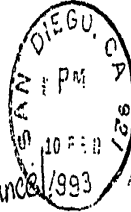

Lemon Grove Ku Klux Klan.

On 01-12-93, I received a phone message from the principal's secretary at Helix High School. The note stated that the school had received another letter from the Ku Klux Klan.

I received the letter on 01-15-93 from Helix. The letter was sent through the U.S. MAIL system and addressed to the Highlander Fling, ASB at Helix High. The school staff intercepted the letter and opened the letter. Inside were two typed letters.

The envelope was typed with the return address to the Lemon Grove Ku Klux Klan. The mailing address was the Highlander Fling at Helix High School. The envelope had a large red and black sticker from the Klan on the left side.

b6  
b7c

The first letter inside the envelope was typed as an open letter from the [redacted] in Lemon Grove to "Helix Youth." The letter was a collection of the Klan beliefs and the Klan's hatred. It is very specific in naming races and religions as the problems of the nation. The letter closes by trying to solicit new members into the Klan.

The other letter in the envelope was addressed to the editor of the Fling, a school newspaper. The letter addresses [redacted] and other staff writers. The letter asked the paper to print the "open letter" in the paper.

On the top of the letter is a hand drawn picture of an owl on what looks like a book. There is a sword sticking out of the book. Above the owl, there is a crescent moon with stars inside the moon as well as outside the moon. The drawing was very crude. This letter was signed [redacted] as well.

The letter had been handled by several people before I received the letter. I impounded and attached the letter to the officer's report.

Dear Helix Youth,

Our Helix Youth Officer has reported increased degeneracy and race-mixing at your school. The Lemon Grove Ku Klux Klan is an underground secret society dedicated to the supremacy of the Nordic Protestant minority and the protection of World White Womanhood.

We are unaware of the true percent of the colored races at your school. You can thank that on the Catholic Kennedy tribe and the Supreme Court for sending the Army into Mississippi to attempt master-slave equality. Thank Libertarian losers for a truly invisible border. Along with the Black hell, California simply can't consume Mexico's Brown hoard. We declare a God's given open season on the illegal alien.

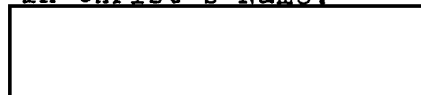

It is our intent to expel from this planet all enemies of our Lord, Jesus Christ, primarily the Synagogue of Satan and it's low cohorts. It is they, the Jews who pollute the virtue of our children. All the major spies, pimps, and pornographers are either of Semitic or Italian origin. As our God and forefathers warned, these leeches will destroy us. After World Jewry, the Italian Catholic Church is the greatest partisan of the Edicts and Commands of the Great Whore. Foreign religious monarchs cannot be tolerated in the amber waves of grain and home of the free.

The morality of America is sickened by these two demonic powers. The actual peddling of naked fornication is legal, by law of the Semitic Senate and Coon-gress. Innocent youngmen and women are sucked into the vortex of pornography, their minds and hearts defiled, and tossed into big city gutters after their flesh has been adulterated and their blood muddied. The Jew and Italian have had their way with her meat and now look for other distressed souls to contaminate. Therefore we inform the world that we intend to crush Judeo-dago traitors and stuff them into gas chambers when we muster power.

Your enemies abound you, they know who you are, but few people can see through the hocus-pocus propaganda they are fed. It is time to sever that insipid and insufferable pity they cloud you with, before you, your race, and the West is annihilated.

If you are a concerned American youth who is a Protestant Christian and of Anglo-Saxon, Celtic, Germanic, or Scandinavian extraction, then arm yourself and join the Lemon Grove Ku Klux Klan.

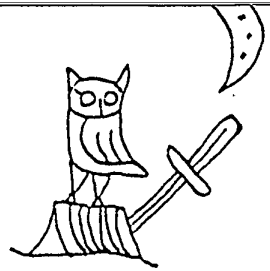

In Christ's Name.

On December 12, 1994, the following investigation was conducted by Special Agent (SA) [redacted] Federal Bureau of Investigation (FBI), San Diego, California.

[redacted] Anti-Defamation League (ADL), San Diego Regional Office, advised that he was upset with the lenient handling of [redacted] by the juvenile court of San Diego County in regard to the racist threat letter CURTIS had sent to him.

b6  
b7c

[redacted] stated that as the victim, he had not received so much as an apology from [redacted] which he saw as an indication that [redacted] was not in any way repentant and which also illustrated the failure of the county court system. [redacted] referred to the juvenile court system as a "travesty of justice" when they merely required [redacted] to pay a small restitution along with unsupervised probation and community service for sending the threat letter, the burglary of Mt. Helix High School and the various other acts of vandalism committed by [redacted]

In addition, [redacted] provided the attached flyers which he stated had been inserted into lockers at La Jolla High School and East County Junior Community College in November 1994. [redacted] stated that while he can not prove that [redacted] was the individual responsible for the flyers, he advised that the prominent use of the swastika and the posting of telephone number 685-8118 on them were indicative of them being the product of [redacted]. According to [redacted] has used the swastika on his past racist/hate flyers and he currently operates a racist hotline through (619) 685-8118 very similar to that of [redacted] White Aryan Resistance (WAR) of Fallbrook, California.

[redacted] indicated a strong interest in having the Federal government consider prosecution of [redacted] in Federal court even though he is aware of the fact that in early 1993 when the offenses occurred, [redacted] (date of birth [redacted]) was a minor.

## A future for white children in America

Description: Blonde, brown, or red hair, fair skin, innocent expression, intelligent, inquisitive, trusting. Future sold by corrupt politicians for Negro votes. Parents either too stupid, too lazy - or all of the above - to realize that Christian White America is under a savage assault from the Jewish controlled media and government. White children need help if the White race is to survive! Time is not on our side.

# RACE TRAITORS

Those guilty of fraternizing socially or sexually with blacks now stand warned that their identities are being cataloged.

The country is in a Second Revolution which will restore complete authority into the hands of those people of European ancestry.

Those persons of alien race will be deported to Asia or Africa.

White persons consorting with blacks will be dealt with according to the *Miscegenation Section of the Revolutionary Ethic*:

1. Miscegenation is Race Treason;
2. Race Treason is a Capital Offense;
3. It will be punished by Death, automatic, by Public Hanging

*Negroes Involved in Miscegenation will be shot as they are apprehended.*

Fellow Aryan Brethren, you have reached a white racist hotline whose interest is employed in a single endeavor to promote separation of the earth's races. Naturally, we don't look kindly on the so-called humanitarian idea to import millions of greasy dregs onto the main streets of America. Prop 187, the Save Our State from Racial Chaos initiative is now law, but the Jew courts have already slapped an injunction on it. No proud white man can discount 187 as a windfall. If executed, it will immobilize with no school, welfare, or medical entitlements, approximately 1.5 million illegal racial aliens. That is 1/5 to 1/4 of all presently identified Hispanics in California. Within a few years imagine the disappearance of 1 in 4 spics in our midst. There is no doubt that this is the most substantial advancement for white separation in a half century, since the final solution. And, don't forget that many other states and even countries will now move in the same vein. After all, where will millions of illegal racial aliens go when our California sugar daddy government cuts off their allowance. You can expect hundreds of thousands of brown refugees to invade Arizona and Nevada as more states enact anti-wetback laws, the rest of the world, especially Germany, will have the international justification they have been looking for to hold back the East European and Turk tide. One might understand the Jewish concern over such prospects. While Mexicans will be on the court steps trying to convince white people why they and their offspring aren't required to obey the law, ACLU Jew attorneys will be in the judge's chambers cutting deals. Ironically, the world's most famous eternal immigrant aliens, the Jews, will not be effected by 187. Kosher lobbies in Washington created a law whereby Jews in the Russian ghettos claimed relatives in the US and are provided refugee asylum status to escape fascist baddies like Zherinofski. They then

occupy apartment houses and turn them into lower eastside type tenements, where they and similar vermin, spread filth and stench all over the neighborhood. Our incumbent U.S. Senator, Dianne Sweinstein, would like to pass the hate crime law prohibiting any Aryan from telling one of her people they stink, literally. For those of us in central and southeast San Diego, we still have all Jew congress members, but you will never hear the media speak of Jewish liberals as they do christian conservatives, even though the Jews make up only two-three percent of the population. They make up over half of the Clinton administration and produce every single show on the Jew television tube. Ever since the feigned Holocaust, where the same kikes who claimed they were gassed, are sipping lemonade and collecting re-compensation checks from Germany, the vast majority of western opinion has been markedly pro-semitic. A Jew occult religion has sprouted with their new Auschwitz museum shrine in the capital, built with taxpayer money on the most valuable plot of land on the continent. Without the precious Holocaust, the Jews would never have been able to dismantle the separatist Aryan America. It takes little study to reveal that the chosen ones commanded the civil rights movement. A few even served as presidents of the NAACP. Sick, perverted ideas of racial equality, sodomy and abortion, which would never be entertained by former generations, are now very openly taught to our children in rooms stuffed with chinks and wetbacks. Aryans in San Diego can't let another generation be lost and sold to demonic Jews and their little colored hirelings. All races, with perhaps the exception of the Jews, would benefit from racial separation. The contrary would result in race mixing and inevitable death to all pure racists. To get in touch with whites who understand the

importance of race and blood, please write to [REDACTED] Lemon Grove, CA

separation. You may also leave a message on this line without divulging personal information.  
Thank you for lending us your ears and have a racially prosperous day.

On March 31, 1995, the following investigation was conducted by Special Agent (SA) [redacted] Federal Bureau of Investigation (FBI), San Diego, California.

SA [redacted] advised [redacted] Anti-Defamation League (ADL), San Diego Regional Office, that a updated report concerning [redacted] had recently been furnished to the Civil Rights Division of the Department of Justice (i.e. DOJ Attorney [redacted])

b6  
b7C

After [redacted] again expressed his frustration with the county juvenile justice system, he was advised that inasmuch as [redacted] is believed to still be on supervised probation by the juvenile court of San Diego County, he would be within his rights to contact the probation officer assigned to [redacted] and advise him/her of his recent activities which could be relevant to his probation status.

[redacted] had previously advised the Special Agent of racist flyers which he stated had been inserted into lockers at La Jolla High School and East County Junior Community College in November 1994. [redacted] had stated that while he could not prove that [redacted] was the individual responsible for the flyers, the prominent use of the swastika and the posting of telephone number 685-8118 on them were indicative of them being the product of [redacted]. According to [redacted] has used the swastika on his past racist/hate flyers and he currently operates a racist hotline through (619) 685-8118 very similar to that of [redacted] White Aryan Resistance (WAR) of Fallbrook, California.

b6  
b7C

[redacted] had also furnished a sample of what he stated was a verbatim transcription taken from this openly available hotline. These material have been furnished to [redacted]

[redacted] expressed appreciation for the continued efforts of the FBI in this matter and remains hopeful that the Federal government will prosecute [redacted] in Federal court even though he is aware that the juvenile status of [redacted] at the time the offenses occurred may serve to bar such action.

On 3/16/95, the referenced report reporting the local prosecution of [redacted] was reported and referred to DOJ for review.

On 4/25/95, [redacted] FBIHQ advised that [redacted] has replaced [redacted] as the DOJ Attorney handling this matter.

[redacted] also advised that inasmuch as my report served to refer the matter for prosecutive opinion, FBIHQ was changing the status markings on the headquarters and DOJ report copies to "Closed" rather than pending.
