HERMAN MILTON GREENSPUN
1925 Bracken Avenue
Las Vegas, Nevada
Owner and Publisher
Las Vegas Sun Daily Newspaper

The following information was previously obtained during the course of an investigation conducted by this office concerning GREENSPUN's application for pardon after completion of sentence in which GREENSPUN was interviewed by SA BRYON C. WHEELER on September 29, 1953, at Las Vegas, Nevada:

GREENSPUN is presently residing at 1925 Bracken Avenue, Las Vegas, Nevada, which residence he is purchasing and has occupied for approximately three weeks. He made application for pardon after completion of sentence in order that he might be able to exercise all of the rights of a United States citizen. He stated all citizens of this country should take an active interest in their local and Federal governments.

GREENSPUN advised that he was tried in Federal Court in 1949 for violation of the Neutrality Act in that he was charged with exporting planes from this country to the Israeli Government. He stated he was acquitted on this charge but was subsequently re-indicted for violation of the Neutrality Act in that he aided in the shipment of arms to Israel. The Federal Government charged that he, with other individuals, shipped a load of arms from California to Mexico with destination as Israel. GREENSPUN advised he entered a plea of guilty to this charge and was sentenced in United States District Court, Los Angeles, California, on July 17, 1950, to pay a \$10,000.00 fine. GREENSPUN admitted he was involved in the purchase and shipment of arms to Israel; that he did this for purely idealistic reasons to aid his co-religionists who were threatened with annihilation by the Arab nation. He advised that if he had been called upon to give his life he would have done so in the cause to save his co-religionists. He stated that the Federal Court admonished him for not waiting until shipments of arms could be made legally to Israel through the State Department. GREENSPUN advised that he considered time was of the essence and Israel was in need of help to combat her enemies. GREENSPUN advised, however, that he considers his first loyalty is to the United States.

Mr. GREENSPUN stated that he is the owner and publisher of the Las Vegas Sun, a daily newspaper of Las Vegas, Nevada, located at 900 South Main Street, Las Vegas. He acquired this newspaper from the International Typographical Union in June, 1950. He stated that he is presently in the process of incorporating the newspaper for the purpose of rewarding some of his faithful employees with an interest in the business.

GREENSPUN stated he came to Las Vegas, Nevada, in 1946 and became associated with WILBUR CLARK of Wilbur Clark's Desert Inn Hotel from about 1947 to April, 1950. He stated he owns one per cent of the Desert Inn Hotel and thirty per cent of what is known as the annex to the Desert Inn Hotel, which is comprised of small shops and motel units which are under a twenty year lease to the hotel. He stated he left the Desert Inn Hotel as Publicity Director in 1950 because WILBUR CLARK, in order to complete the Hotel, had obtained finances from a group of Cleveland racketeers. He stated that he did not want to be associated with this type of individual.

GREENSPUN advised that he had also made investments in property in Las Vegas and vicinity.

GREENSPUN gave the following as his residences since July, 1950:

315 North 8th Street, Las Vegas, Nevada
February, 1950, to December, 1952

1917 Houston Street, Las Vegas, Nevada
December, 1952, to September, 1953

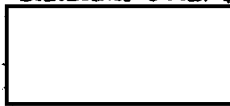

1925 Bracken Avenue, Las Vegas, Nevada
Latter part of September, 1953, to the present.

GREENSPUN advised that politicians whom he has criticized in his paper have made statements charging him with being a sympathizer or fellow traveler of the Communist Party. He stated a charge of this type was made by Senator JOE McCARTHY at Las Vegas, Nevada, during 1952, and that he subsequently published an affidavit offering a \$1,000.00 reward to anyone who could produce evidence reflecting that GREENSPUN knowingly or innocently was in any way connected or associated with Communist organizations or organizations which were designated by the Federal Government as subversive.

SU 51-2

GREENSPUN advised there has been information circulated by his enemies that he was associated with VITO MARCANTONIO. He stated he was a law clerk in the law firm of MICHAEL H. PINTO and VITO MARCANTONIO in New York City from about December, 1933, to August, 1936, during which time MARCANTONIO spent most of his time in Congress at Washington, D. C. and at that time was a staunch Republican. He advised this law firm took over most of the law business of F. LA GUARDIA; and that MARCANTONIO was at one time regarded by LA GUARDIA as practically an adopted son. GREENSPUN indicated that since 1936 he has not been associated in any way with VITO MARCANTONIO.
